An Easy Mag Extension for Your Double-Stack Glock Magazines

Even in your double-stack Glock handguns, having extra rounds on-board can be a game-changer. Whether for self-defense or competition, adding a few extra rounds can make the difference between winning or losing a fight or a match. Well, what if you had more than a few rounds? What if you had four or five extra rounds in your gun? Enter the Tyrant Designs Magazine Extensions for Glock G19 & G23. Each Tyrant Designs Magazine Extension adds five rounds to the 9mm G19 and four rounds to the G23, increasing the overall capacity of an OEM Glock magazine with an incredibly low amount of effort. Each extension can be installed onto your factory Glock magazine in fewer than 10 seconds! The Magazine Extensions for Glock G19 & G23 are all machined from aerospace-grade aluminum and are designed to function with the original factory magazine spring. The design features smooth, rounded edges, and the overall size matches the profile of your Glock's pistol grip. The overall length of the extension is 1.15 inches, and it measures .90 inch wide. The unit will add 1.3 ounces of weight.

Safety Instruction Guide for +4/5 Magazine Extensions for Glock® 19 & 23

Introduction

Thank you for choosing the +4/5 Magazine Extensions for Glock® 19 & 23 by Tyrant CNC. These extensions are designed to enhance the capacity of your Glock magazines, allowing for a greater number of rounds. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the magazine extensions and firearms securely, out of reach of children and unauthorized users.
- Regularly inspect your magazine extensions for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Use only compatible Glock models (G19, G23, G26) with these extensions.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is completely empty before installing the extension.
- Avoid overloading the magazine beyond its designed capacity.
- Do not attempt to modify or alter the magazine extensions in any way.
- Always use the factory magazine spring with the extensions for optimal performance.
- If you experience any malfunctions while using the extensions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the magazine is unloaded and the firearm is pointed in a safe direction.
- Align the magazine extension with the base of the magazine.
- Slide the extension onto the magazine until it clicks into place.
- Check that the extension is securely attached by gently pulling on it.

2. Usage Steps:

- Load the magazine with the appropriate number of rounds (up to 15 for G19 and 12 for G23).
- Insert the loaded magazine into your firearm.
- Ensure the magazine is seated properly by giving it a slight tug.
- Always check the functionality of the magazine before use.

Disposal Instructions

- Dispose of any damaged or worn magazine extensions in accordance with local regulations.
- Do not throw the extensions in regular trash. Instead, consult local waste management for proper disposal methods.
- If you are unsure about disposal methods, contact local authorities for guidance.

Contact Information for Further Support

For any questions, concerns, or additional support regarding the +4/5 Magazine Extensions for Glock® 19 & 23, please refer to the manufacturer's contact information or your local dealer.

By following these guidelines, you can ensure a safe and enjoyable experience with your magazine extensions. Thank you for your attention to safety!
