

22 GT RIFLE BRASS - ALPHA MUNITIONS 22 GT RIFLE BRASS 100/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 22 GT cartridge is built on the 6mm GT case necked down to 22 Caliber. The 22 GT offers similar benefits of the 6 GT but with higher velocities and flatter trajectories with the smaller 22 caliber projectile all with even less recoil than the 6 GT. Each 22 GT case produced by Alpha Munitions also incorporates the company's OCD with optimized case head technology, which is designed to lengthen primer pocket life, as well as the life of the case overall, even at higher than normal pressures and velocities. 22 GT brass utilizes small rifle primers. Each case is packed individually in a plastic flip top case with foam to protect the brass during shipping and once loaded.

Attributes

- Name: [ALPHA MUNITIONS 22 GT RIFLE BRASS 100/BOX](#)
- Manufacturer: [ALPHA MUNITIONS](#)
- Product no.: 430109457
- Mfr. No.: AM22MMGT
- Cartridge: 22 GT
- Rounds: 100
- Quantity: 100
- Delivery weight: 1.315kg
- Shipping height: 89mm
- Shipping width: 159mm
- Shipping length: 159mm
- UPC: 616612670328

Safety Instruction Guide for 22 GT Rifle Brass

Introduction

Thank you for choosing the 22 GT Rifle Brass by Alpha Munitions. This guide provides essential safety information to ensure the safe use of this product. Please read and understand all instructions and guidelines before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the 22 GT Rifle Brass to avoid risks associated with improper handling or use.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, recall notices will be issued, and remedies will be provided for dangerous products.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is handled by vulnerable groups, such as children.
- **EU Contact Point:** An EU-based contact point is available for safety inquiries regarding this product.
- **Rapid Alerts:** Stay informed about unsafe products through updates on the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, including safety glasses and gloves, when handling or using the 22 GT Rifle Brass.
- Ensure that the brass is stored in a cool, dry place away from direct sunlight and moisture.
- Handle the brass with care to avoid any dents or deformities that could affect performance.
- Do not use damaged or deformed brass cases, as this may lead to unsafe conditions during firing.
- Ensure that the brass is compatible with your firearm; consult your firearm's manual if necessary.
- Keep the product out of reach of children and unauthorized persons.
- Always follow the manufacturer's recommendations for loading and using the brass.

Instructions for Installation and Usage

- Inspect each brass case before use to ensure it is free from defects.
- Load the brass according to the recommended specifications for the 22 GT cartridge.
- Use small rifle primers as specified for the 22 GT brass.
- Ensure that the firearm is in good working condition and properly maintained before using the brass.
- After loading, check that the firearm is clear of obstructions and that it functions correctly.
- Follow all standard safety protocols when firing the weapon, including ensuring that the firing area is clear of individuals and obstacles.

Disposal Instructions

- Dispose of used brass cases in accordance with local regulations regarding hazardous waste.
- Do not throw brass cases in regular trash; instead, consider recycling them if possible.
- Ensure that any primers or powder residues are handled safely and in compliance with local laws.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult the designated EU contact point for this product.
