

FRC 308 CALIBER THREE-PORT COMPENSATOR - FRC FLAT 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Elevate your shooting experience with the cutting-edge PWS FRC compensator, serving as a suppressor host for the Rearden Atlas suppressor mounting system—compatible with popular suppressors like the BDE 762. Crafted with precision and innovation, this compensator stands as a premier selection for a diverse range of shooting scenarios. The PWS FRC compensator sets itself apart by prioritizing recoil reduction as its primary function while simultaneously excelling at flash suppression. Its distinctive 3-port design skillfully redirects flash away from optics and the line of sight, ensuring an unobstructed view and minimizing overpressure. When paired with suppressors, the FRC boasts a tight lockup and maintains it through hard shooting cycles, ensuring reliability in any situation. Mounted precisely, the FRC becomes a crucial component in your rifle's comprehensive recoil management system. By effectively mitigating recoil and muzzle rise, this compensator enables swift follow-up shots, ultimately delivering improved shooter control and accuracy, even in rapid-fire scenarios. Choosing the PWS FRC provides the best of both worlds—superior recoil management and effective flash suppression—making it an indispensable asset for any shooter looking to enhance their shooting prowess and overall experience on the range or in the field. Select between flat shouldered option, for traditional rifle barrels, or tapered shoulder, for barrels with a tapered shoulder behind the muzzle threads.

Safety Instruction Guide for FRC 308 Caliber ThreePort Compensator

Introduction

Thank you for choosing the FRC 308 Caliber ThreePort Compensator. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your compensator. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the compensator is compatible with your firearm before installation.
- Always handle firearms and accessories with care.
- Keep the compensator out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe product issues to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the compensator is securely mounted before firing.
- Do not exceed the recommended caliber specifications for the compensator.
- Avoid using the compensator with ammunition that may cause excessive pressure.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., wrench).

2. Mounting the Compensator:

- Align the compensator with the muzzle threads of the firearm.
- Rotate the compensator clockwise to engage the threads.
- Use a wrench to tighten the compensator securely, but do not overtighten.

3. Final Check:

- Confirm that the compensator is firmly attached and does not wobble.
- Conduct a visual inspection to ensure proper alignment.

Usage

- Always follow the manufacturer's recommendations for use.
- Fire the firearm in a controlled and safe environment.
- Monitor the performance of the compensator during use, especially for recoil and flash suppression.
- If you experience any malfunctions, cease use immediately and inspect the compensator.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not throw the compensator in regular trash.
- Contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FRC 308 Caliber ThreePort Compensator, please refer to the manufacturer's website or customer support for assistance.

Thank you for prioritizing safety while using your FRC 308 Caliber ThreePort Compensator. Enjoy your shooting experience responsibly.
