

DAKA BINS 3-PACK-ONE 2x4 AND TWO 2x2 - MAGPUL DAKA BINS 3-PACK-ONE 2X4 AND TWO 2X2 FDE

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

DAKA Bins are designed to nest within DAKA GRID Organizer Panels to keep loose parts, gear, ammo, and other items secure inside Magpul DAKA Hard Cases or any case outfitted with the DAKA GRID Organizer. The DAKA Bins come in two sizes to provide flexibility in storage, with a 2x4 Bin and two 2x2 Bins, with each peg on the underside of the Bin locking securely into the GRID Panels. DAKA Bins are made with transparent lids for easy contents identification, and the reinforced lid snap tabs lock securely with the Bin side tabs to keep the Bins closed. For further organization, paint-pen dot matrix panels on the lids give users additional identification capability for GRID organization. Aside from the durable lids, the DAKA Bins themselves are made from sturdy polypropylene and designed for rugged use with 0.1" thick walls to protect whatever is placed inside. The DAKA Bins come in Black, FDE, and Red, so the DAKA Bins' colors can also be used as coding for those who may need quick visual confirmation of the contents. We also made our DAKA Bins so they're equally at home outside of the DAKA GRID Organizer on your workbench or wherever you use them. Each pack comes with one (1) 2X4 Bin and two (2) 2X2 Bins. Reinforced lid snap tabs lock on Bin body to secure parts, tools, and other small items Nests into DAKA GRID Base Panels. Transparent lid for easy content identification and organization. Stackable and functional outside of the DAKA GRID Organizer. Made from durable, chemical-resistant polypropylene material. COMPATIBILITY DAKA GRID Organizer Base. Three (3) DAKA Bins/qty, ships with two (2) 2X2 DAKA Bin and one (1) 2X4 DAKA Bin.

DAKA BINS 3PACK Safety Instruction Guide

Introduction

Thank you for choosing the DAKA BINS 3PACK. These bins are designed for secure storage of parts, gear, ammo, and other items. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the DAKA BINS are used only for their intended purpose.
- Keep the bins out of reach of children to avoid potential hazards.
- Regularly check the bins for any damage or wear that could compromise their integrity.
- Do not overload the bins beyond their intended capacity.
- Always handle the bins with care to prevent accidents or injuries.

Specific Safety Precautions for Use

- **Avoid Sharp Objects:** Do not store sharp objects that may puncture the bins or cause injury.
- **Chemical Safety:** Ensure that any items stored are compatible with polypropylene material to prevent chemical reactions.
- **Secure Lids:** Always ensure that the lids are securely locked before moving or stacking the bins.
- **Heat Exposure:** Do not expose the bins to excessive heat, as this may deform the material.

Instructions for Installation and Usage

1. Nesting within DAKA GRID Organizer:

- Position the DAKA BINS within the DAKA GRID Organizer Panels.
- Ensure that each peg on the underside of the bin locks securely into the GRID Panels.

2. Identification:

- Use the transparent lids for easy identification of contents.
- Utilize the paintpen dot matrix panels on the lids for additional identification.

3. Stacking:

- When stacking, ensure that the bins are stable and the lids are securely locked.
- Avoid stacking bins that are not designed for stacking to prevent collapse.

4. General Handling:

- When transporting the bins, hold them by the sides to maintain stability.
- Avoid dragging the bins across surfaces to prevent scratches and wear.

Disposal Instructions

- Dispose of the DAKA BINS in accordance with local regulations for plastic waste.
- Do not incinerate the bins, as this may release harmful substances.
- If the bins are damaged, ensure they are disposed of in a way that prevents accidental injury.

Contact Information for Further Support

For safety inquiries or support regarding the DAKA BINS, please refer to the contact details provided by the retailer or manufacturer where the product was purchased.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your DAKA BINS 3PACK. Always keep safety in mind and refer to this guide as needed. Thank you for your attention to these important safety measures.
