

DAKA BINS 3-PACK-ONE 2x4 AND TWO 2x2 - MAGPUL DAKA BINS 3-PACK-ONE 2X4 AND TWO 2X2 RED

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

DAKA Bins are designed to nest within DAKA GRID Organizer Panels to keep loose parts, gear, ammo, and other items secure inside Magpul DAKA Hard Cases or any case outfitted with the DAKA GRID Organizer. The DAKA Bins come in two sizes to provide flexibility in storage, with a 2x4 Bin and two 2x2 Bins, with each peg on the underside of the Bin locking securely into the GRID Panels. DAKA Bins are made with transparent lids for easy contents identification, and the reinforced lid snap tabs lock securely with the Bin side tabs to keep the Bins closed. For further organization, paint-pen dot matrix panels on the lids give users additional identification capability for GRID organization. Aside from the durable lids, the DAKA Bins themselves are made from sturdy polypropylene and designed for rugged use with 0.1" thick walls to protect whatever is placed inside. The DAKA Bins come in Black, FDE, and Red, so the DAKA Bins' colors can also be used as coding for those who may need quick visual confirmation of the contents. We also made our DAKA Bins so they're equally at home outside of the DAKA GRID Organizer on your workbench or wherever you use them. Each pack comes with one (1) 2X4 Bin and two (2) 2X2 Bins. Reinforced lid snap tabs lock on Bin body to secure parts, tools, and other small items Nests into DAKA GRID Base Panels. Transparent lid for easy content identification and organization. Stackable and functional outside of the DAKA GRID Organizer. Made from durable, chemical-resistant polypropylene material. COMPATIBILITY DAKA GRID Organizer Base. Three (3) DAKA Bins/qty, ships with two (2) 2X2 DAKA Bin and one (1) 2X4 DAKA Bin.

DAKA BINS 3PACK Safety Instruction Guide

Introduction

Thank you for choosing the DAKA BINS 3PACK. These bins are designed to provide secure storage for loose parts, gear, ammo, and other items. This safety instruction guide is intended to help you use the DAKA BINS safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the DAKA BINS by following all instructions carefully.
- **Enhanced Recalls:** Be aware of any recall notices related to the product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Take extra care if the product is being used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact provided during your purchase.
- **Rapid Alerts:** Stay informed about any safety updates regarding the DAKA BINS through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit for the bins to prevent breakage or injury.
- **Secure Lids:** Always ensure that the lids are properly snapped shut to prevent accidental opening.
- **Keep Away from Heat:** Do not expose the bins to excessive heat or open flames, as this may cause the material to warp or melt.
- **Chemical Resistance:** While the bins are made from chemical-resistant polypropylene, avoid storing highly corrosive substances.
- **Children's Safety:** Keep the bins out of reach of young children to avoid potential choking hazards from small parts.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the DAKA BINS from the packaging. Discard any plastic wrapping and packaging materials responsibly.
2. **Nesting the Bins:**
 - The DAKA BINS are designed to nest within DAKA GRID Organizer Panels.
 - Align the pegs on the underside of the bins with the slots in the GRID Panels for secure placement.
3. **Using the Bins:**
 - Place items inside the bins without exceeding the recommended weight limit.
 - Use the transparent lids for easy identification of contents.
 - Utilize the paintpen dot matrix panels on the lids for additional labeling options.
4. **Stacking:** The DAKA BINS are stackable. Ensure that they are stable when stacked to avoid tipping.
5. **Removing from GRID Panels:** To remove a bin from the GRID Panel, gently lift it straight up to disengage the pegs.

Disposal Instructions

- **Recycling:** The DAKA BINS are made from polypropylene, which is recyclable. Check local recycling guidelines for proper disposal.

- **NonRecyclable Waste:** If the bins are damaged beyond repair, dispose of them in accordance with local waste management regulations.

Contact Information for Further Support

For further information or assistance regarding the DAKA BINS, please refer to the contact information provided during your purchase. Ensure you have the product details ready when seeking support.

By following these safety instructions, you can ensure a safe and effective experience with your DAKA BINS 3PACK. Thank you for your attention to safety, and enjoy your organized storage solution!
