

AR-15 ADJUSTABLE PISTON SYSTEM W/CLAMP .750" BLOCK LEFT HAND - SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/CLAMPON .750" GAS BLOCK MID LH

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Piston Conversion Kits](#)

AR-15 ADJUSTABLE PISTON SYSTEM W/CLAMP .750" BLOCK LEFT HAND The Superlative Arms Patented Bleed Off® Mode, gas piston system for the AR-15 platform adjusts the gas flow by bleeding the gas out the front of the block instead of restricting the flow like conventional adjustable blocks. RESULTS: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas and pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of wear on the bolt carrier group components and upper receiver. Reduction of felt recoil allowing for faster follow-up shots. Patented adjustment detent is located outside of the block and therefore no contamination. In Bleed Off Mode the gas adjustment screw does not restrict the gas flow; therefore, there is no erosion or seizing of the screw, and no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and/or suppressors the Bleed Off port allows the excessive pressure to be exhausted out of the block reducing blow back. NOTE: The Superlative Arms Piston Kit does not come with a Bolt Assembly (bolt, cam pin, firing pin, or firing pin retainer). Bolt Assembly sold separately. ***NOTICE: PRIOR TO PURCHASING THIS PRODUCT*** Please review the barrel schematic for the critical dimensions necessary to safely operate the pistol length piston system. There is no industry standard for the distance between the barrel extension to the center of the gas hole. This is critical for the op rod length. If it is not the same distance as stated on the schematic, you may bend the op rod. THIS PRODUCT IS NOT RATED FOR 300 BLK!!! SPECIFICATIONS: Piston Systems: Piston Kits Gas Block Size: .750 Gas Block Style: Clamp On Gas System Length: Pistol Carrier Type: Full-Auto, AR-15 Carrier Finish: Dark DLC

Attributes

- Name: [SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/CLAMPON .750" GAS BLOCK MID LH](#)
- Manufacturer: [SUPERLATIVE ARMS LLC](#)
- Product no.: 430109777
- Mfr. No.: SABO-PS-LFD-M750CM
- Finish: Black
- Gas System Length: Mid-Length
- Weapon type: AR-15
- Delivery weight: 0.907kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 413mm
- UPC: 850051342617

Safety Instruction Guide for AR15 Adjustable Piston System W/Clamp .750" Block Left Hand

Introduction

Thank you for choosing the Superlative Arms AR15 Adjustable Piston System. This document provides essential safety information and guidelines to ensure a safe and effective use of your product. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Be aware of the local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to firearm malfunction.
- Excessive pressure may cause blowback, leading to injury.
- Failure to follow specifications may bend the operating rod.

- **Avoiding Hazards:**

- Always refer to the barrel schematic for critical dimensions before installation.
- Ensure the distance between the barrel extension and the center of the gas hole matches the schematic.
- Do not use this product with 300 BLK ammunition, as it is not rated for such use.
- Use caution when adjusting the gas flow; ensure the adjustment screw is not removed unintentionally.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are legally allowed to handle firearms. Ensure that users are of legal age and possess the necessary training and knowledge.

Instructions for Installation and Usage

- **Installation:**

1. Review the barrel schematic to confirm compatibility with your firearm.
2. Ensure you have the necessary tools for installation.
3. Carefully install the piston system according to the manufacturer's instructions.
4. Verify that all components are securely fastened and that there are no obstructions.

- **Usage:**

1. Before firing, ensure that the gas adjustment screw is set to the appropriate position for your setup.
2. Monitor the firearm during operation for any unusual sounds or malfunctions.

3. After use, inspect the piston system for any signs of wear or damage.
4. Clean the system regularly to maintain optimal performance and reduce carbon buildup.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Adjustable Piston System, please refer to the manufacturer's website or contact customer support. Ensure you have the product details and any relevant information ready for assistance.

Please remember to keep this guide for future reference and ensure all users of the product have access to it. Your safety and the safety of others are paramount when handling firearms and firearm accessories.
