

AR-15 ADJUSTABLE PISTON SYSTEM W/CLAMP .750" BLOCK LEFT HAND - SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/CLAMPON .750" GAS BLOCK RIFLE LH

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Piston Conversion Kits](#)

AR-15 ADJUSTABLE PISTON SYSTEM W/CLAMP .750" BLOCK LEFT HAND The Superlative Arms Patented Bleed Off® Mode, gas piston system for the AR-15 platform adjusts the gas flow by bleeding the gas out the front of the block instead of restricting the flow like conventional adjustable blocks. RESULTS: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas and pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of wear on the bolt carrier group components and upper receiver. Reduction of felt recoil allowing for faster follow-up shots. Patented adjustment detent is located outside of the block and therefore no contamination. In Bleed Off Mode the gas adjustment screw does not restrict the gas flow; therefore, there is no erosion or seizing of the screw, and no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and/or suppressors the Bleed Off port allows the excessive pressure to be exhausted out of the block reducing blow back. NOTE: The Superlative Arms Piston Kit does not come with a Bolt Assembly (bolt, cam pin, firing pin, or firing pin retainer). Bolt Assembly sold separately. ***NOTICE: PRIOR TO PURCHASING THIS PRODUCT*** Please review the barrel schematic for the critical dimensions necessary to safely operate the pistol length piston system. There is no industry standard for the distance between the barrel extension to the center of the gas hole. This is critical for the op rod length. If it is not the same distance as stated on the schematic, you may bend the op rod. THIS PRODUCT IS NOT RATED FOR 300 BLK!!! SPECIFICATIONS: Piston Systems: Piston Kits Gas Block Size: .750 Gas Block Style: Clamp On Gas System Length: Pistol Carrier Type: Full-Auto, AR-15 Carrier Finish: Dark DLC

Attributes

- Name: [SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/CLAMPON .750" GAS BLOCK RIFLE LH](#)
- Manufacturer: [SUPERLATIVE ARMS LLC](#)
- Product no.: 430109778
- Mfr. No.: SABO-PS-LFD-R750CM
- Finish: Black
- Gas System Length: Rifle
- Weapon type: AR-15
- Delivery weight: 0.907kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 413mm
- UPC: 850051342655

Safety Instruction Guide for AR15 Adjustable Piston System

Introduction

Thank you for choosing the AR15 Adjustable Piston System with Clamp .750" Block Left Hand by Superlative Arms LLC. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU safety regulations. Ensure you follow all guidelines to minimize risks.
- **Enhanced Recalls:** Be aware of any recall notices regarding this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or the retailer for contact information.
- **Rapid Alerts:** Stay informed about safety updates regarding this product through the Safety Gate system.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction.
 - Excessive gas pressure can cause blowback.
 - Inadequate maintenance can lead to wear and malfunction.
- **Avoiding Hazards:**
 - Always follow installation instructions carefully.
 - Regularly check for wear on components.
 - Use the product only as intended and in accordance with the specifications.
- **Age Restrictions:** This product is designed for adult users only. Ensure that it is not used by individuals under the legal age for firearm use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing gas block from the rifle.
- Install the Superlative Arms Adjustable Piston System onto the barrel.
- Secure the clamp on the gas block to ensure a tight fit.
- Adjust the gas flow using the adjustment screw according to your needs.
- Ensure that the adjustment detent is functioning properly to avoid contamination.

2. Usage:

- Before firing, verify that the gas adjustment screw is set correctly to avoid excessive recoil or malfunction.

- When using SBRs or suppressors, monitor the performance to ensure the Bleed Off port is functioning effectively.
- Regularly clean the piston system to prevent carbon buildup and maintain performance.
- If you experience any issues, cease use immediately and consult a professional.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components and materials.
- Do not dispose of in regular household waste. Instead, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of this product, please refer to the retailer or manufacturer contact information provided with your purchase.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Adjustable Piston System. Always prioritize safety and seek professional assistance if you have any doubts about installation or usage. Thank you for your attention to these important safety instructions.
