

# AR-15 ADJUSTABLE PISTON SYSTEM W/0.625" GAS BLOCK RIGHT HAND - SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/SOLID .625" GAS BLOCK CARBINE RH

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Piston Conversion Kits](#)

SUPERLATIVE ARMS LLC AR-15 ADJUSTABLE PISTON SYSTEM W/0.625" GAS BLOCK RIGHT HAND The Superlative Arms Patented Bleed Off® Mode, gas piston system for the AR-15 platform adjusts the gas flow by bleeding the gas out the front of the block instead of restricting the flow like conventional adjustable blocks. RESULTS: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas and pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of wear on the bolt carrier group components and upper receiver. Reduction of felt recoil allowing for faster follow-up shots. Patented adjustment detent is located outside of the block and therefore no contamination. In Bleed Off Mode the gas adjustment screw does not restrict the gas flow; therefore, there is no erosion or seizing of the screw, and no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and/or suppressors the Bleed Off port allows the excessive pressure to be exhausted out of the block reducing blow back. NOTE: The Superlative Arms Piston Kit does not come with a Bolt Assembly (bolt, cam pin, firing pin, or firing pin retainer). Bolt Assembly sold separately.

SPECIFICATIONS: Piston Systems: Piston Kits Gas Block Size: .625 Gas Block Style: Solid, Set Screw Gas System Length: Carbine Carrier Type: Full-Auto, AR-15 Carrier Finish: Dark DLC

## Attributes

- Name: [SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/SOLID .625" GAS BLOCK CARBINE RH](#)
- Manufacturer: [SUPERLATIVE ARMS LLC](#)
- Product no.: 430109791
- Mfr. No.: SABO-PS-RFD-C625SM
- Finish: Black
- Gas System Length: Carbine
- Weapon type: AR-15
- Delivery weight: 0.907kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 413mm
- UPC: 850011846308

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15 Adjustable Piston System

## Introduction

Thank you for choosing the Superlative Arms AR15 Adjustable Piston System with a 0.625" Gas Block. This product is designed to enhance the performance of your AR15 platform while ensuring safety during use. Please read this safety instruction guide carefully to understand how to safely install, use, and dispose of the product.

## General Safety Guidelines

To ensure safe use of the AR15 Adjustable Piston System, please follow these guidelines:

- Always handle firearms and firearm components with care.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use the product only as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the AR15 Adjustable Piston System, please observe the following precautions:

- Ensure that you are familiar with the operation of the AR15 platform.
- Use appropriate protective gear, such as safety glasses and hearing protection, during operation.
- Avoid using the product in conditions that may compromise safety, such as wet or slippery environments.
- Be aware of your surroundings and ensure a clear line of fire before discharging the firearm.
- Do not attempt to modify or alter the product in any way, as this may compromise safety.
- If using shortbarreled rifles (SBRs) or suppressors, be cautious of excessive pressure and follow specific guidelines for those configurations.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the AR15 Adjustable Piston System:

### 1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing gas block from the firearm.
- Install the Superlative Arms Adjustable Piston System in accordance with the provided instructions.
- Secure the gas block using the set screw method as specified in the installation guide.
- Confirm that all components are properly seated and tightened before proceeding.

### 2. Usage:

- Adjust the gas flow using the patented adjustment detent located outside of the block.
- Monitor the performance of the firearm during operation, paying attention to any unusual sounds or behaviors.
- After use, clean the system to prevent carbon buildup and ensure optimal performance.

## **Disposal Instructions**

When disposing of the AR15 Adjustable Piston System, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for firearm components.
- If the product is damaged or no longer usable, consider recycling parts where applicable.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Superlative Arms AR15 Adjustable Piston System, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to safety. By following these guidelines, you can ensure a safer experience while using your AR15 Adjustable Piston System.
