[Rifle Parts](#) > [Gas System Parts](#) > [Gas Piston Conversion Kits](#)

AR-15 ADJUSTABLE PISTON SYSTEM W/0.625" GAS BLOCK LEFT HAND The Superlative Arms Patented Bleed Off® Mode, gas piston system for the AR-15 platform adjusts the gas flow by bleeding the gas out the front of the block instead of restricting the flow like conventional adjustable blocks. RESULTS: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas and pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of wear on the bolt carrier group components and upper receiver. Reduction of felt recoil allowing for faster follow-up shots. Patented adjustment detent is located outside of the block and therefore no contamination. In Bleed Off Mode the gas adjustment screw does not restrict the gas flow; therefore, there is no erosion or seizing of the screw, and no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and/or suppressors the Bleed Off port allows the excessive pressure to be exhausted out of the block reducing blow back. NOTE: The Superlative Arms Piston Kit does not come with a Bolt Assembly (bolt, cam pin, firing pin, or firing pin retainer). Bolt Assembly sold separately. SPECIFICATIONS: Piston Systems: Piston Kits Gas Block Size: .625 Gas Block Style: Solid, Set Screw Gas System Length: Carbine Carrier Type: Full-Auto, AR-15 Carrier Finish: Dark DLC

## Attributes

- Name: [SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/SOLID .625" GAS BLOCK CARBINE LH](#)
- Manufacturer: [SUPERLATIVE ARMS LLC](#)
- Product no.: 430109794
- Mfr. No.: SABO-PS-LFD-C625SM
- Finish: Black
- Gas System Length: Carbine
- Weapon type: AR-15
- Delivery weight: 0.907kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 413mm
- UPC: 850051342563

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15 Adjustable Piston System

## Introduction

Thank you for choosing the AR15 Adjustable Piston System with a 0.625" Gas Block from Superlative Arms LLC. This guide provides essential safety instructions to ensure the proper and safe use of this product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that all users of the AR15 Adjustable Piston System are familiar with basic firearm safety rules.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Follow all local laws and regulations regarding the use of firearms.
- Inspect the product upon receipt for any visible damage or defects.
- Do not use this product if any part appears damaged or malfunctioning.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation or use can lead to firearm malfunction.
  - Excessive gas pressure may cause blowback, leading to injury.
  - Contamination of the gas adjustment screw can hinder performance.
- **Avoiding Hazards:**
  - Ensure the gas adjustment screw is properly set before use.
  - Regularly clean the gas piston system to prevent carbon buildup.
  - Do not attempt to adjust the gas flow while the firearm is in use.
- **AgeSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18.
  - Ensure that minors are supervised by an adult when handling firearms.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing gas block from the AR15 platform.
  3. Install the Superlative Arms Adjustable Piston System gas block onto the barrel, ensuring it is securely fastened with the set screws.
  4. Align the gas piston with the bolt carrier group.
  5. Tighten the gas adjustment screw to the desired setting, ensuring it is not overtightened.
- **Usage:**
  - Before firing, check the gas adjustment screw to ensure it is set correctly for your ammunition type

and intended use.

- Test fire the firearm in a safe environment to ensure proper function.
- Monitor the performance of the system and make adjustments as necessary.

- **Cleaning and Maintenance:**

- Regularly clean the gas piston system to avoid carbon buildup.
- Inspect the gas block and adjustment screw for wear or damage.
- If necessary, replace any damaged components immediately.

## **Disposal Instructions**

- Dispose of the AR15 Adjustable Piston System in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For further assistance regarding the AR15 Adjustable Piston System, please refer to the manufacturer's website or contact their customer support team.

## **Conclusion**

By following these safety instructions and guidelines, you can enjoy the benefits of the AR15 Adjustable Piston System while ensuring your safety and the safety of others. Remember to stay informed about product recalls and safety updates through the EU Safety Gate platform. Thank you for choosing Superlative Arms LLC. Stay safe!
