

AR-15 ADJUSTABLE PISTON SYSTEM W/0.625" GAS BLOCK LEFT HAND - SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/SOLID .625" GAS BLOCK MIDLENGTH LH

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Piston Conversion Kits](#)

AR-15 ADJUSTABLE PISTON SYSTEM W/0.625" GAS BLOCK LEFT HAND The Superlative Arms Patented Bleed Off® Mode, gas piston system for the AR-15 platform adjusts the gas flow by bleeding the gas out the front of the block instead of restricting the flow like conventional adjustable blocks. RESULTS: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas and pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of wear on the bolt carrier group components and upper receiver. Reduction of felt recoil allowing for faster follow-up shots. Patented adjustment detent is located outside of the block and therefore no contamination. In Bleed Off Mode the gas adjustment screw does not restrict the gas flow; therefore, there is no erosion or seizing of the screw, and no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and/or suppressors the Bleed Off port allows the excessive pressure to be exhausted out of the block reducing blow back. NOTE: The Superlative Arms Piston Kit does not come with a Bolt Assembly (bolt, cam pin, firing pin, or firing pin retainer). Bolt Assembly sold separately. SPECIFICATIONS: Piston Systems: Piston Kits Gas Block Size: .625 Gas Block Style: Solid, Set Screw Gas System Length: Carbine Carrier Type: Full-Auto, AR-15 Carrier Finish: Dark DLC

Attributes

- Name: [SUPERLATIVE ARMS LLC AR-15 ADJ PISTON SYSTEM W/SOLID .625" GAS BLOCK MIDLENGTH LH](#)
- Manufacturer: [SUPERLATIVE ARMS LLC](#)
- Product no.: 430109795
- Mfr. No.: SABO-PS-LFD-M625SM
- Finish: Black
- Gas System Length: Mid-Length
- Weapon type: AR-15
- Delivery weight: 0.907kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 413mm
- UPC: 850051342600

Safety Instruction Guide for AR15 Adjustable Piston System

Introduction

Thank you for choosing the AR15 Adjustable Piston System with a 0.625" Gas Block from Superlative Arms LLC. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure safe handling and use of the AR15 Adjustable Piston System.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Always treat firearms as if they are loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not exceed the manufacturer's specifications for the gas system.
- Be cautious of excessive pressure when using SBRs and/or suppressors.
- Avoid using damaged or worn components in your firearm.
- Follow proper cleaning procedures to prevent carbon buildup and ensure optimal function.
- Do not attempt to modify the piston system beyond the manufacturer's recommendations.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and in a safe condition.
2. **Remove Existing Gas Block:** Carefully remove the existing gas block from your AR15.
3. **Install the Adjustable Piston System:**
 - Align the new piston system with the barrel.
 - Securely attach the gas block using the set screws provided.
4. **Adjustment:**
 - Use the adjustment detent to set the desired gas flow.
 - Ensure that the adjustment screw is not overtightened to avoid damage.
5. **Check Functionality:** Before live fire, cycle the action manually to ensure proper function.

Usage

- Always verify that the gas adjustment is set correctly for your specific setup.
- Monitor the firearm for any signs of malfunction during use.
- If using suppressors, ensure that the Bleed Off port is functioning to reduce blowback.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Contact local authorities for guidance on proper disposal of firearm components.

Contact Information for Further Support

For safety inquiries, product support, or to report unsafe conditions, please refer to the appropriate local authorities or the manufacturer's official website for contact details.

This safety instruction guide is designed to provide you with the necessary information to safely use the AR15 Adjustable Piston System. Always prioritize safety and adhere to local laws regarding firearm usage and modifications. Thank you for your commitment to safe firearm practices.
