Safety Instruction Guide for "THE" Seating Die Type 2

Introduction

Welcome to the safety instruction guide for "THE" Seating Die Type 2, manufactured by Short Action Customs, LLC. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid any potential hazards.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Seating Die by following all instructions provided. This product is designed for reloading ammunition and should be used only for its intended purpose.
- **Enhanced Recalls:** Stay informed about any potential recalls of this product. In the event of a recall, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure you are buying from a reputable source that meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided on the product packaging or the manufacturer's website.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Read the Instructions:** Always read the user manual before using the Seating Die.
- **Use Protective Gear:** Wear appropriate safety gear, such as safety glasses and gloves, while reloading ammunition.
- **Work in a WellVentilated Area:** Ensure adequate ventilation in your workspace to avoid inhaling any dust or fumes.
- **Inspect the Die:** Before each use, inspect the Seating Die for any signs of damage or wear. Do not use if damaged.
- **Keep Workspace Organized:** Maintain a clean and organized workspace to minimize the risk of accidents.
- **Follow Ammunition Guidelines:** Only use the Seating Die with compatible cartridges as specified in the product description.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Seating Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth based on the cartridge specifications.

2. Usage:

- Prepare your cartridges and components according to standard reloading practices.
- Place the cartridge case in the press and raise it to engage the Seating Die.
- Carefully adjust the die until the bullet is seated at the desired depth.
- Inspect each completed cartridge for proper seating and overall quality.

3. PostUse:

- Clean the Seating Die after each use to prevent buildup of residue.
- Store the die in a dry, cool place, away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the Seating Die in regular household waste. Check with local recycling centers for proper disposal methods.
- Ensure all materials used in the reloading process are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the use of "THE" Seating Die Type 2, please refer to the contact information provided on the product packaging or the manufacturer's website. It is important to have access to support for any safety inquiries or productrelated issues.

By following the guidelines outlined in this safety instruction guide, you can ensure a safe and effective reloading experience with "THE" Seating Die Type 2. Always prioritize safety and stay informed about best practices in ammunition reloading.
