Safety Instruction Guide for "THE" SEATING DIE TYPE 5

Introduction

Thank you for choosing "THE" SEATING DIE TYPE 5 by SHORT ACTION CUSTOMS, LLC. This product is designed for precision bullet seating across various cartridge families. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions and guidelines outlined in this document.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose as specified in the product description.
- Always handle the die and related equipment with care to prevent injury and damage.
- Keep the die and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding reloading and ammunition manufacturing.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the die.
- Ensure that the work area is wellventilated and free from flammable materials.
- Use the die only with compatible cartridges as listed in the product description.
- Avoid overtightening the die in the reloading press to prevent damage.
- Do not exceed the recommended load specifications for any cartridge.
- Keep fingers and other body parts away from moving parts during operation.
- Be aware of the potential hazards associated with reloading, including the handling of gunpowder and primers.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Select the appropriate die for your cartridge type from the "THE" SEATING DIE series.
- Carefully screw the die into the reloading press, tightening it gently to avoid damage.
- Set the die to the desired seating depth according to your reloading specifications.

2. Usage:

- Prepare your cartridges by ensuring they are clean and free of debris.
- Insert the cartridge case into the reloading press.
- Follow the manufacturer's guidelines for bullet seating.
- Operate the press smoothly to seat the bullet without excessive force.
- After seating, inspect the cartridge for proper bullet seating depth.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not throw the die or any components in regular trash. Check for recycling programs in your area.
- Ensure that all reloading materials, including spent primers and powder, are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the official contact points provided by SHORT ACTION CUSTOMS, LLC. Ensure that you have your product information ready when seeking assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with "THE" SEATING DIE TYPE 5. Thank you for your attention to safety and for choosing our product.
