Safety Instruction Guide for "THE" Seating Die Type 8

Introduction

Thank you for choosing "THE" Seating Die Type 8 by Short Action Customs, LLC. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before use to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always use the product in accordance with the manufacturer's instructions.
- Store the die in a secure location, out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and gloves, when using the die.
- Ensure that the workspace is clean, organized, and free of any obstructions.
- Do not exceed the recommended pressure limits when seating bullets.
- Avoid using the die with cartridges not specified in this guide to prevent malfunction or injury.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion or injury from improperly seated bullets.
- Keep all components of the die clean and free from debris to ensure optimal performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before starting.
- Ensure that your reloading press is compatible with "THE" Seating Die Type 8.

2. Installation:

- Securely mount the die into your reloading press according to the manufacturer's specifications.
- Ensure that the die is tightened properly to prevent movement during use.

3. Usage:

- Select the appropriate cartridge from the following compatible list:
 - 300 WSM (Winchester Short Mag)
 - 7 mm WSM (Winchester Short Magnum)
 - 6.8 mm Western
- Adjust the die settings according to the specifications for the selected cartridge.
- Carefully insert the bullet into the case and position it in the die.
- Operate the press to seat the bullet, ensuring that you apply steady and even pressure.
- Inspect the seated bullet for proper alignment and depth. Adjust if necessary.

4. PostUsage:

- Clean the die after use to remove any residue or debris.
- Store the die in a dry and secure location.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations for hazardous materials.
- Do not dispose of the die in regular household waste. Follow local guidelines for the disposal of metal products.

Contact Information for Further Support

For further inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with "THE" Seating Die Type 8. Thank you for your attention to safety.
