# Safety Instruction Guide for "THE" Seating Die Type 9

## Introduction

Thank you for choosing "THE" Seating Die Type 9 from SHORT ACTION CUSTOMS, LLC. This product is designed to provide precision and versatility for seating bullets in various cartridges. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines essential safety guidelines, precautions, and instructions for installation and usage in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Always ensure that you are using the die in accordance with the manufacturer's instructions to avoid risks that could lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** Extra caution should be taken if the product is used around children or vulnerable individuals. Keep all reloading tools and materials out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recall information.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the die.
- **Personal Protective Equipment:** Wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- **Work Environment:** Ensure you are working in a wellventilated area and on a stable, clean surface.
- **Check Compatibility:** Ensure that the die is compatible with the specific cartridge you are using. Refer to the cartridge compatibility list provided in the product description.
- **Inspect the Die:** Before each use, inspect the die for any signs of wear or damage. Do not use if damaged.
- **Avoid Overloading:** Follow the recommended specifications for bullet seating and avoid exceeding limits to prevent dangerous situations.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Insert the "THE" Seating Die Type 9 into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

### 2. Usage:

- Prepare the cartridge case according to standard reloading practices.
- Adjust the seating depth by turning the die as instructed. Test with a dummy round to ensure proper seating.
- Place the bullet into the case mouth and raise the ram on the reloading press to seat the bullet.
- After seating, ensure that the bullet is seated to the desired depth by measuring with calipers.

### 3. **PostUsage:**

- Clean the die after use to prevent buildup of residue.
- Store the die in a dry, cool place, away from moisture and direct sunlight.

## **Disposal Instructions**

- **Disposal of Materials:** Dispose of any used materials, such as spent primers and powder, in accordance with local regulations. Do not discard in regular household waste.
- **Recycling:** Where possible, recycle metal components according to local recycling guidelines.

## **Contact Information for Further Support**

For any questions or additional support regarding the use of "THE" Seating Die Type 9, please refer to the contact details provided by the retailer or manufacturer.

By following these guidelines, you can ensure a safe and effective experience with "THE" Seating Die Type 9. Thank you for your attention to safety!
