# INFINITY APS DIE INSERTS SHORT ACTION CUSTOMS, LLC. INFINITY AAPS DIE INSERT TYPE 3 Safety Instruction Guide

## Introduction

Thank you for choosing the INFINITY APS Die Insert Type 3. This product is designed to provide you with a reliable and efficient way to reload cartridges. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Arbor style press before using the INFINITY APS Die Insert.
- Always wear appropriate safety gear, such as safety glasses, when reloading cartridges.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading materials, including dies and cartridges, in a secure location away from children and unauthorized users.
- Do not exceed the recommended load specifications provided by the bullet and powder manufacturers.
- Regularly inspect your equipment for wear and damage before use.

## Specific Safety Precautions for Use

- Use the die only for its intended purpose: reloading cartridges from 223 Remington to 338 Lapua Magnum.
- Ensure that the correct Cartridge Base Insert is used for the specific cartridge family you are reloading.
- Always check that the bullet seating stem is securely attached before use.
- Avoid using the die with damaged components or if you notice any irregularities in operation.
- Follow all manufacturer instructions for the specific cartridges you are using, including bullet type and powder load.
- Do not attempt to modify the die or its components in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the INFINITY APS Die Insert, Arbor style press, cartridges, and safety gear.

### 2. Installation:

- Select the appropriate Cartridge Base Insert based on the cartridge family you will be reloading.
- Attach the Cartridge Base Insert to the Arbor style press following the manufacturer's instructions.
- Securely attach the bullet seating stem that corresponds to the bullet type you will be using.

### 3. Usage:

- Place the cartridge case into the Cartridge Base Insert.
- Carefully position the bullet on top of the cartridge case.
- Operate the Arbor press to seat the bullet to the desired depth.
- Inspect the completed cartridge for proper bullet seating and overall quality.

#### 4. **PostUsage:**

- Remove the cartridge from the die and store it safely.
- Clean the die and press after use to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not throw away the INFINITY APS Die Insert or its components in regular household waste. Check with local authorities for proper disposal methods for metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the INFINITY APS Die Insert, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines and instructions, you can ensure a safe and effective reloading experience with the INFINITY APS Die Insert Type 3. Always stay informed about safety practices and updates related to reloading equipment. Thank you for choosing our product, and happy reloading!
