DEFIANT EYEWEAR Magpul has been developing innovative products for firearms enthusiasts and the professional users for more than 20 years. Their eyewear merges that same innovation with style and advanced features. Their latest model, the Defiant, is designed to deliver functional, adaptable, ballistic eye protection along with maximum coverage and visibility. When your environment or location changes, the Defiant has a unique lens replacement capability so you can transition to the coverage and color you need. The Defiant excels at providing extreme impact protection without sacrificing comfort. It gives you Z87+ ballistic protection and has been tested to MIL-PRF-32432 ballistic standards. Its lens shape accommodates both large and medium faces without sacrificing peripheral vision or protection coverage. The unique lens and frame interface enhances the lens' ability to flex when worn, optimizing user fit, and its 7-base curvature is purpose-built for optimal clarity and light transmission. Critical touch points such as the rubber overmolded temple pads and the soft rubber nose pads keep the Defiant comfortable and in place, even when you're covered in perspiration or on the move. The Defiant's temples are specifically designed to eliminate pressure points while wearing over-the-ear hearing protection and integrate seamlessly with helmets or headwear. With its easy-to-use quick-release lever system, switching between the three unique Defiant Replacement Lenses is quick and simple, meaning you have different polarization, color, and light transmittance options available at any time. Comes with a black large DAKA Can storage case and a Magpul Eyewear Bag made with lens-safe cleaning material. **MAXIMUM PROTECTION AND COVERAGE** Ballistic rated Z87+ and MIL-PRF-32432 lenses and TR90 frames meet both high velocity impact protection and safety ratings Low-profile temple design maintains comfort and function while wearing hats or over the ear hearing protection **SUPERIOR LENS QUALITY** Oleophobic treatment of lenses provides liquid and other chemical protection and added scratch resistance Anti-reflective coating on inside of lenses minimizes distracting reflections **REMOVABLE LENSES** Lenses are quickly removable for easy maintenance and changing conditions Designed for Medium / Large faces **SPECIFICATIONS:** Lens Rating: ANSI Z87+ and MIL-PRF-32432 Materials: TR90 frame

Safety Instruction Guide for DEFIANT EYEWEAR MAGPUL

Introduction

Thank you for choosing the DEFIANT EYEWEAR MAGPUL. This eyewear is designed to provide exceptional ballistic protection, comfort, and versatility for firearms enthusiasts and professionals. This guide outlines essential safety instructions, usage guidelines, and maintenance tips to ensure your safety and the longevity of your eyewear.

General Safety Guidelines

- **Product Safety:** This product complies with EU safety regulations, ensuring safe use for all consumers.
- **Enhanced Recalls:** Stay informed about any recalls. If a safety issue arises, the manufacturer will provide standardized recall notices and free remedies.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This eyewear is not intended for children. Ensure that it is used only by individuals who meet the recommended age and size specifications.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Follow updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the eyewear fits securely on your face to provide optimal protection and comfort.
- **Avoid Modifications:** Do not alter the eyewear in any way, as this may compromise its safety features.
- **Lens Replacement:** Only use authorized replacement lenses designed specifically for the DEFIANT EYEWEAR MAGPUL to maintain safety standards.
- **Impact Resistance:** While the eyewear offers Z87+ ballistic protection, it is essential to avoid situations where the eyewear may be subjected to extreme impacts beyond its rated capability.
- **Chemical Exposure:** Avoid exposing the lenses to harsh chemicals that may degrade their protective qualities.
- **Storage:** Store the eyewear in a protective case when not in use to prevent scratches and damage.

Instructions for Installation and Usage

1. Fitting the Eyewear:

- Place the eyewear on your face, ensuring that it sits comfortably on your nose and ears.
- Adjust the temple arms to fit snugly without causing discomfort.

2. Lens Replacement:

- To replace lenses, locate the quickrelease lever on the temples.
- Press the lever to release the lenses, then carefully remove them.
- Insert the new lens by aligning it with the frame and pressing until it clicks into place.

3. Cleaning and Maintenance:

- Use the provided Magpul Eyewear Bag for cleaning. This bag is made with lens-safe cleaning material.
- Clean the lenses with a soft, lint-free cloth to avoid scratches. Use mild soap and water if

necessary.

4. **Wearing with Headgear:**

- When wearing the eyewear with helmets or headwear, ensure that the temples fit comfortably without creating pressure points.

5. **Polarization Adjustment:**

- Depending on your environment, choose the appropriate lens color and polarization level to optimize visibility and reduce glare.

Disposal Instructions

- **Environmentally Friendly Disposal:** When the eyewear has reached the end of its life cycle or is no longer usable, dispose of it in accordance with local regulations for electronic waste and plastic materials.
- **Lens Disposal:** Ensure that lenses are disposed of responsibly, as they may contain materials that require special handling.
