DEFIANT EYEWEAR Magpul has been developing innovative products for firearms enthusiasts and the professional users for more than 20 years. Their eyewear merges that same innovation with style and advanced features. Their latest model, the Defiant, is designed to deliver functional, adaptable, ballistic eye protection along with maximum coverage and visibility. When your environment or location changes, the Defiant has a unique lens replacement capability so you can transition to the coverage and color you need. The Defiant excels at providing extreme impact protection without sacrificing comfort. It gives you Z87+ ballistic protection and has been tested to MIL-PRF-32432 ballistic standards. Its lens shape accommodates both large and medium faces without sacrificing peripheral vision or protection coverage. The unique lens and frame interface enhances the lens' ability to flex when worn, optimizing user fit, and its 7-base curvature is purpose-built for optimal clarity and light transmission. Critical touch points such as the rubber overmolded temple pads and the soft rubber nose pads keep the Defiant comfortable and in place, even when you're covered in perspiration or on the move. The Defiant's temples are specifically designed to eliminate pressure points while wearing over-the-ear hearing protection and integrate seamlessly with helmets or headwear. With its easy-to-use quick-release lever system, switching between the three unique Defiant Replacement Lenses is quick and simple, meaning you have different polarization, color, and light transmittance options available at any time. Comes with a black large DAKA Can storage case and a Magpul Eyewear Bag made with lens-safe cleaning material. **MAXIMUM PROTECTION AND COVERAGE** Ballistic rated Z87+ and MIL-PRF-32432 lenses and TR90 frames meet both high velocity impact protection and safety ratings Low-profile temple design maintains comfort and function while wearing hats or over the ear hearing protection **SUPERIOR LENS QUALITY** Oleophobic treatment of lenses provides liquid and other chemical protection and added scratch resistance Anti-reflective coating on inside of lenses minimizes distracting reflections **REMOVABLE LENSES** Lenses are quickly removable for easy maintenance and changing conditions Designed for Medium / Large faces **SPECIFICATIONS:** Lens Rating: ANSI Z87+ and MIL-PRF-32432 Materials: TR90 frame

Specific Safety Precautions for Use

- **Impact Protection:** Ensure that the eyewear is worn correctly to provide Z87+ ballistic protection.
- **Lens Replacement:** Use only official DEFIANT EYEWEAR replacement lenses to maintain safety standards.
- **Fit and Comfort:** Adjust the temples and nose pads for a secure fit to avoid slippage during use.
- **Environmental Awareness:** Be mindful of your surroundings and remove eyewear when transitioning to environments that do not require ballistic protection.
- **Cleaning:** Use only lens-safe cleaning materials to avoid damaging the lenses.

Instructions for Installation and Usage

1. Fitting the Eyewear:

- Adjust the rubber overmolded temple pads and soft rubber nose pads for a comfortable fit.
- Ensure that the eyewear does not obstruct peripheral vision.

2. Replacing the Lenses:

- To replace the lenses, locate the quick-release lever on the frame.
- Press the lever to release the current lenses.
- Insert the new lenses into the frame and ensure they are securely locked in place.

3. Wearing with Hearing Protection:

- When wearing over-the-ear hearing protection, adjust the temples to eliminate pressure points for comfort.

4. Usage in Various Conditions:

- The eyewear is suitable for a variety of conditions. Adjust the lens color and polarization according to your environment for optimal visibility.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the eyewear and packaging in accordance with local regulations to minimize environmental impact.
- **Recycling:** If possible, recycle the frame and lenses through appropriate recycling programs.
