

# HELIX EYEWEAR - MAGPUL HELIX EYEWEAR FDE FRAME W/POLARIZED GRAY LENS

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

HELIX EYEWEAR Magpul designed their line of eyewear to provide the premium features, superior optical quality, and appealing style you'd expect from popular brands that sell for significantly more. Every pair has ballistic impact protection built in to protect you from the unexpected, and their durable construction ensures they'll stand up to anything you can throw at them. And they do it all at a cost that's half or less than other premium brands. The Magpul Helix is designed to support your active lifestyle in all conditions by providing superior clarity, contrast, and impact protection whenever you need it. No matter what you're up to, the rimless design gives you an uncompromised field of view, breathability, and professional-grade eye protection. The Helix excels in humid or wet environments where moisture and condensation cause normal lenses to fog or collect water. Its lens and frame design sheds sweat and moisture, keeping your field of view clear. The interchangeable lens system also allows the wearer to transition to lower-light operations with a clear lens or facilitates easy replacement of the lenses when needed. Like most of our eyewear line, the Helix is ballistic rated to Z87+ and MIL-PRF 32432 standards, and the lightweight frames are constructed of TR90 for strength, flexibility, and impact protection. Comes with a black DAKA Can storage case and a Magpul Eyewear Bag made with lens-safe cleaning material. RUGGED AND RELIABLE Designed to combine rugged strength and flexibility with maximum overall coverage Outstanding impact resistance, even at low temperatures Chemical, UVA & B, and stress-crack resistant Coated stainless steel pins provide simple but dependable hinge functionality SUPERIOR PROTECTION The lens and frame combination of the Helix is ballistic rated to Z87+ and MIL-PRF 32432 standards Frames are constructed of TR90, combining lightweight construction and extreme ballistic protection SUPERIOR VISUAL QUALITY AND FLEXIBLE LENS SYSTEM Premium clarity, color and contrast Interchangeable lens system designed to optimize performance in any environment (replacement lenses sold separately) Oleophobic treatment of lenses provides liquid and other chemical protection and added scratch resistance Anti-fog treatment keeps your lenses clear and your eyes on the action Anti-reflective coating on inside of lenses minimizes distracting reflections COMFORTABLE AND COMPATIBLE WITH YOUR GEAR Padded low profile temples integrate smoothly under helmets, communication headsets and over the ear hearing protection Rubber nose and temple pads are overmolded to the frame for durability Fits medium to large faces SPECIFICATIONS: Lens Rating: ANSI Z87+ and MIL-PRF 32432 Materials: TR90 frame

# Safety Instruction Guide for HELIX EYEWEAR MAGPUL

## Introduction

Thank you for choosing the HELIX EYEWEAR Magpul. This eyewear is designed to offer superior optical quality, ballistic impact protection, and comfort for your active lifestyle. To ensure your safety and the optimal use of this product, please read and follow the safety guidelines outlined in this document.

## General Safety Guidelines

- Always inspect your eyewear before use to ensure that there are no damages or defects.
- Use the eyewear only for its intended purpose: as protective eyewear in various environments.
- Keep the eyewear out of reach of children and vulnerable individuals to prevent misuse or accidental injury.
- If you experience any discomfort or vision problems while using the eyewear, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Ballistic Impact Protection:** The HELIX EYEWEAR is ballistic rated to Z87+ and MILPRF 32432 standards. Ensure the eyewear is worn properly to maximize protection.
- **Moisture Management:** The eyewear is designed to resist fogging and moisture. Avoid exposing the lenses to harsh chemicals that may compromise their protective features.
- **Lens Interchangeability:** If you need to change lenses, follow the provided instructions carefully to avoid damaging the frame or lenses.
- **Compatibility with Gear:** Ensure that the eyewear fits comfortably with any headgear or hearing protection you may be using. Adjust the padded temples as necessary for a secure fit.

## Instructions for Installation and Usage

- **Fitting the Eyewear:**
  1. Place the eyewear on your face, ensuring that it sits comfortably on your nose and ears.
  2. Adjust the rubber nose and temple pads to achieve a snug fit without discomfort.
- **Changing Lenses:**
  1. Hold the frame securely and gently press on the lens release mechanism.
  2. Carefully remove the existing lens and replace it with the new lens by aligning it with the frame.
  3. Ensure the lens clicks into place securely before use.
- **Cleaning and Maintenance:**
  1. Use the provided Magpul Eyewear Bag for safe storage and transport.
  2. Clean the lenses with a soft, lintfree cloth. Avoid using abrasive materials that may scratch the lenses.
  3. If necessary, use a lens-safe cleaning solution to maintain clarity.

## Disposal Instructions

- Dispose of the eyewear in accordance with local regulations regarding plastic and electronic waste.
- Do not dispose of the eyewear in regular household waste. Check for recycling programs in your area that accept eyewear.

## **Contact Information for Further Support**

For any questions or concerns regarding the HELIX EYEWEAR Magpul, please refer to the official Magpul website or contact your retailer for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using your HELIX EYEWEAR Magpul. Thank you for prioritizing safety and quality in your eyewear choice.
