

# RADIUS EYEWEAR - MAGPUL RADIUS EYEWEAR ODG FRAME W/POLARIZED GRAY LENS

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

RADIUS EYEWEAR Magpul designed their line of eyewear to provide the premium features, superior optical quality, and appealing style you'd expect from popular brands that sell for significantly more. Every pair has ballistic impact protection built in to protect you from the unexpected, and their durable construction ensures they'll stand up to anything you can throw at them. And they do it all at a cost that's half or less than other premium brands. The Radius was created to merge maximum ballistic protection, comfort, coverage, and style. It's best fit is with medium to large faces. Designed with the shooter in mind, the frames provide full Z87+ ballistic protection, durability, and flexibility in a lightweight package. Like all Magpul Eyewear, the Radius is constructed of injected-molded TR90 for maximum impact resistance, flexibility, and comfort. The aggressive 8-base wrap and high-coverage temples ensure protection from both the elements and debris, while the unique lens shape provides improved peripheral vision over other full coverage designs. The Radius has a modern profile with high performance features and is built for those who demand the most from their equipment. Comes with a Magpul Eyewear Bag made with lens-safe cleaning material. RUGGED AND RELIABLE Designed to combine rugged strength and flexibility with maximum overall coverage Outstanding impact resistance, even at low temperatures Chemical and stress-crack resistant UV resistant SUPERIOR PROTECTION The lens and frame combination of the Radius is ballistic rated to Z87+ and MIL-PRF 32432 standards Lenses meet high velocity impact protection and safety ratings Frames are constructed of TR90, combining lightweight construction and extreme ballistic protection PREMIUM FEATURES BUILT-IN Oleophobic treatment of lenses provides liquid & other chemical protection + scratch resistance Anti-reflective coating on inside of lenses minimizes distracting reflections Coated stainless steel pins provide simple but dependable hinge functionality COMFORTABLE AND COMPATIBLE WITH YOU AND YOUR GEAR Padded low profile temples integrate smoothly under helmets, communication headsets and over the ear hearing protection while providing comfort with rubber nose and temple pads Rubber nose and temple pads are overmolded to the frame for durability Fits medium to large faces SPECIFICATIONS: Lens Rating: ANSI Z87+ and MIL-PRF 32432 Materials: TR90 frame

# RADIUS EYEWEAR MAGPUL RADIUS EYEWEAR ODG FRAME W/POLARIZED GRAY LENS Safety Instruction Guide

## Introduction

Thank you for choosing the RADIUS EYEWEAR Magpul Radius Eyewear ODG Frame with Polarized Gray Lens. This product is designed to provide exceptional protection and comfort for your eyes during shooting and outdoor activities. Please read this safety instruction guide carefully to ensure safe and effective use of your eyewear.

## General Safety Guidelines

- Ensure that the eyewear is suitable for your specific activities.
- Always inspect the eyewear before use for any signs of damage or wear.
- Do not use the eyewear if any parts are broken or missing.
- Keep the eyewear out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide to avoid potential hazards.

## Specific Safety Precautions for Use

- **Ballistic Protection:** The eyewear provides Z87+ ballistic protection. Ensure that it is worn correctly to maximize protection against impacts.
- **Lens Care:** The lenses feature an oleophobic treatment for chemical protection. Avoid using harsh chemicals for cleaning.
- **Comfort Fit:** The padded temples are designed for comfort and compatibility with headgear. Ensure a proper fit to prevent slippage during use.
- **Temperature Resistance:** The eyewear is designed to withstand low temperatures. However, avoid exposing it to extreme heat or direct sunlight for prolonged periods.

## Instructions for Installation and Usage

### 1. Fitting the Eyewear:

- Place the eyewear over your ears and adjust the temples to ensure a snug fit.
- Ensure that the rubber nose and temple pads sit comfortably on your face.
- Adjust the fit as necessary to prevent movement during use.

### 2. Cleaning the Lenses:

- Use a lens-safe cleaning cloth to wipe the lenses.
- Avoid using abrasive materials that could scratch the lens surface.
- For stubborn stains, lightly dampen the cloth with water or a lens cleaner.

### 3. Storage:

- Store the eyewear in the provided Magpul Eyewear Bag when not in use.
- Keep the eyewear in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the eyewear in accordance with local regulations.
- Do not dispose of the eyewear in regular household waste if it contains hazardous materials.
- Consider recycling options where available.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding your RADIUS EYEWEAR product, please refer to the manufacturer's contact information provided with your product packaging.

## **Final Notes**

This eyewear is designed for optimal performance and safety. By following these guidelines, you can ensure a safe and enjoyable experience while using your RADIUS EYEWEAR. Always prioritize safety and stay informed about product updates and recalls through the EU's Safety Gate platform.
