

FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMI-AUTO RIFLE

- FREEDOM RIFLE MARITIME RECCE 6MM ARC 14.5"BBL (1)8RD MAG BLK

GFR 6MM ARC Maritime Recce Rifle The Geissele Freedom Rifle (GFR) 14.5" Maritime Recce features the latest weapon technology, available exclusively from Geissele Automatics. Designed and Engineered from the ground up, the GFR is the next evolution of the AR15 platform. The 6MM ARC GFR Recce barrels are Chrome-lined, precision machined, and cold hammer forged using the highest quality materials to ensure consistency and quality. These barrels undergo High-Pressure Testing (HPT) and Magnetic Particle Inspection (MPI) to ensure accuracy and reliability. Geissele CHF barrels are an excellent choice for duty weapons, competition guns, and everything in between. Geissele's Anti-Strike Super Compact Gas Block is a modified gas block and was developed for the USG to give more clearance between the gas block and rail. This allows the rail to deflect further in a drop without striking the gas block, which increases the life span of the rail overall. The GFR platform of rifles features the exclusive GFR-E trigger. This trigger is an enhancement of the SSAE trigger with a standard M4 curve. Engineered with precision in mind, the GFR-E provides the smooth first stage and predictably crisp break shooters have come to expect from a Geissele two-stage trigger. Even with minimal lubrication, the proprietary Nanoweapon Coating enhances corrosion resistance, keeps the fire control group running smoothly, and breaks cleanly — even after heavy use. At the heart of the GFR platform is the Nanoweapon Coated 6MM ARC Reliability Enhanced Bolt Carrier Group (REBCG) with features that provide increased corrosion and wear resistance, increased carrier stability, and optimized cartridge-feeding performance. The 6MM ARC REBCG has a chrome lined gas key with properly torqued and staked screws, advanced tool steel cam pin, extended carrier rails, and a purpose-built 6MM ARC GFR Stressproof Bolt. The bolt is forged — not machined from bar stock — to optimize the grain structure of the specially developed Carpenter 158+ steel. This is conducive to cleaner material that is also more resistant to fatigue. Each bolt is not only the subject of thorough quality inspection at each stage but is also high-pressure tested (HPT) and magnetic-particle inspected (MPI). These resilient bolts are designed to significantly increase the service life of the 6MM ARC semi-auto platform bolt, allowing it to reach the full potential of the cartridge. Even the upper receiver itself has been improved upon. The GFR uppers have properly heat-treated steel cam races riveted into place intended to provide steel-on-steel contact with the cam pin while the system is cycling. This prolongs the upper's lifespan while maintaining tolerances. The forward assist has also been relocated further forward which allows for more working space to operate the charging handle while a magnified optic is installed up top on the 1913 Picatinny rail. Each GFR comes equipped with the ambidextrous Geissele Super Charging Handle to assure the user has proper purchase of the dual-contoured levers when charging the weapon. The GFR Recce features the addition of a HUXWRX Flash Hider-QD 6MM ARC suppressor-ready muzzle device. The Nanoweapon-coated HUXWRX Flash Hider-QD muzzle device is compatible with the HUXWRX FLOW 6 k suppressor, FLOW 762 Ti suppressor, or Blastphemy blast deflector (available separately). The renowned MK16 Super Modular Rail with center alignment tab comes standard on the GFR and mates with a notch in the upper receiver, just the same as the Super Duty lineup. This removes any chance of handguard rotation during use and ensures confidence in anything mounted to the 1913 Picatinny top or the radial M-LOK sections. Similar to the Super Duty line, the GFR lower receivers are precision machined from forged 7075-T6 aluminum and use all of the familiar high-quality Geissele lower parts such as the Maritime Bolt Catch, checkered takedown pins, and stainless magazine catch. Every GFR has a non-adjustable spring-loaded tensioning plunger installed to provide a tight fit with the upper receiver, which mitigates wobble when the upper and lower are mated together. The magazine well has also been improved with a more aggressive flare that has been optimized for use with Geissele's dedicated 6MM ARC magazines. Every GFR also comes with a Super 42 Buffer system

installed, which provides silky-smooth shooting right out of the box, and a new reduced-angle Geissele Grip to provide users with a more modern primary point of contact. The Geissele BF stock features four QD sling swivel sockets. It encompasses a shrouded adjustment trigger preventing any snagging or unintentional repositioning and offers a comfortable cheek weld for optimized eye relief. Attributes

- Name: FREEDOM RIFLE MARITIME RECCE 6MM ARC 14.5"BBL (1)8RD MAG BLK
- Manufacturer: GEISSELE AUTOMATICS LLC
- Product no.: 430110166
- Mfr. No.: 08-394B
- Action Type: Semi-Auto
- Barrel Length: 14.5"
- Capacity: 8+1-Round
- Cartridge: 6 mm ARC
- Finish: Luna Black
- Front Sight: None
- Length: 32.625"
- Magazine Included: 1 x 8-Round
- Magazine Type: Removable
- Make: Geissele
- Model: Freedom Rifle Maritime Recce
- Muzzle: Flash Hider
- Rear Sight: None
- Stock Material: Polymer
- Weight: 6.563 lbs
- Delivery weight: 4.536kg
- Shipping height: 102mm
- Shipping width: 292mm
- Shipping length: 1,105mm
- UPC: 810081134224

Sicherheitshinweise für das FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE

Einführung

Herzlichen Glückwunsch zum Kauf Ihres FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE von Geissele Automatics LLC. Dieses Produkt wurde mit modernster Technologie entwickelt, um Ihnen eine sichere und zuverlässige Nutzung zu gewährleisten. Bitte lesen Sie diese Sicherheitshinweise sorgfältig durch, um potenzielle Risiken zu vermeiden und die Sicherheit während der Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stellen Sie sicher, dass Sie das FREEDOM RIFLE in einem sicheren und kontrollierten Umfeld verwenden.
- Bewahren Sie das Gewehr immer entladen auf, wenn es nicht in Gebrauch ist.
- Halten Sie das Gewehr von Kindern und unbefugten Personen fern.
- Verwenden Sie nur empfohlene Munition (6MM ARC) und Zubehör.
- Überprüfen Sie regelmäßig den Zustand des Gewehrs und seiner Komponenten auf Abnutzung oder Beschädigungen.
- Informieren Sie sich über lokale Gesetze und Vorschriften bezüglich des Besitzes und der Nutzung von Schusswaffen.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Tragen Sie immer geeignete Schutzausrüstung, einschließlich Schutzbrille und Gehörschutz, während Sie das Gewehr verwenden.
- Achten Sie darauf, dass der Lauf immer in eine sichere Richtung zeigt.
- Betätigen Sie den Abzug nur, wenn Sie bereit sind, das Ziel zu treffen.
- Vermeiden Sie es, das Gewehr zu verwenden, wenn Sie unter dem Einfluss von Alkohol oder Drogen stehen.
- Lassen Sie das Gewehr niemals unbeaufsichtigt, während es geladen ist.
- Führen Sie keine Modifikationen am Gewehr durch, die die Sicherheit beeinträchtigen könnten.

Anweisungen zur Installation und Nutzung

Installation

- Überprüfen Sie, ob alle Teile und Zubehörteile im Lieferumfang enthalten sind.
- Befolgen Sie die Montageanleitung sorgfältig, um sicherzustellen, dass das Gewehr korrekt zusammengebaut ist.
- Verwenden Sie nur die mitgelieferten oder empfohlenen Werkzeuge für die Montage.

Nutzung

- Laden Sie das Gewehr gemäß den Anweisungen im Benutzerhandbuch.
- Stellen Sie sicher, dass die Gasklappe und der Abzug ordnungsgemäß funktionieren, bevor Sie das Gewehr verwenden.
- Führen Sie eine Sicherheitsüberprüfung durch, bevor Sie das Gewehr laden und abfeuern.
- Üben Sie regelmäßig, um Ihre Fähigkeiten und Ihr Verständnis für die sichere Handhabung des Gewehrs zu verbessern.

Entsorgungsanweisungen

- Entsorgen Sie leere Patronen und Munition gemäß den örtlichen Vorschriften.
- Das Gewehr sollte nicht im regulären Haushaltsmüll entsorgt werden. Informieren Sie sich über die örtlichen Vorschriften zur Entsorgung von Schusswaffen und deren Komponenten.
- Wenn das Gewehr nicht mehr verwendet werden kann, bringen Sie es zu einem autorisierten Händler oder einer Sammelstelle für die sichere Entsorgung.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich Ihres FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE, wenden Sie sich bitte an den Hersteller oder einen autorisierten Händler.

Bitte beachten Sie, dass es wichtig ist, alle Sicherheitsrichtlinien zu befolgen, um Ihre Sicherheit und die Sicherheit anderer zu gewährleisten. Ihr FREEDOM RIFLE wurde entwickelt, um Ihnen eine herausragende Leistung und Zuverlässigkeit zu bieten, wenn es verantwortungsbewusst verwendet wird.

Safety Instruction Guide for the FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE

Introduction

Thank you for choosing the FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE. This guide provides important safety instructions and guidelines to ensure the safe use of your firearm. Please read this guide carefully and follow all instructions to minimize risks associated with the use of this product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the firearm is stored in a secure location, inaccessible to unauthorized users, especially children.
- Always use appropriate eye and ear protection when operating the firearm.
- Be aware of your target and what lies beyond it.
- Do not consume alcohol or drugs before or while using the firearm.
- Regularly inspect the firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before cleaning, disassembling, or performing any maintenance.
- Only use ammunition that is specifically designed for the 6MM ARC caliber.
- Do not modify or alter any part of the firearm.
- Keep your fingers off the trigger until you are ready to shoot.
- Use the safety selector to prevent accidental discharge when not in use.
- Be cautious of hot surfaces after firing, as the barrel and other components may become extremely hot.
- Do not shoot at hard surfaces or water, as bullets may ricochet.

Instructions for Installation and Usage

Installation

- Ensure you are in a safe and secure environment before installing any components.
- Follow the manufacturer's instructions for attaching the Geissele Super Charging Handle and any accessories.
- Ensure the HUXWRX Flash HiderQD muzzle device is securely attached and properly aligned.

Usage

- Before use, perform a function check to ensure the firearm operates correctly:
 - Verify that the safety selector functions properly.
 - Ensure the bolt carrier group is correctly seated.
- Load the magazine with the appropriate 6MM ARC ammunition, ensuring the rounds are seated correctly.
- Insert the magazine into the lower receiver until it clicks into place.
- Pull the charging handle to chamber a round.
- Aim at your target, ensure a safe backdrop, and squeeze the trigger smoothly to fire.
- After firing, maintain control of the firearm until you are ready to reload or cease firing.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- Ensure the firearm is rendered inoperable before disposal.
- Contact local authorities or licensed firearms dealers for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC SEMIAUTO RIFLE. Always prioritize safety and responsible handling of firearms.

Guida di Sicurezza per il Fucile FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC

Introduzione

Benvenuti nella guida di sicurezza per il Fucile FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC. Questa guida è progettata per fornire informazioni importanti sulla sicurezza e sull'uso corretto del prodotto. Si prega di leggere attentamente tutte le istruzioni e le precauzioni per garantire un utilizzo sicuro e responsabile.

Linee Guida Generali di Sicurezza

- Assicurarsi di utilizzare il fucile solo per gli scopi previsti e in conformità con le leggi locali e nazionali.
- Tenere il fucile fuori dalla portata dei bambini e di persone non autorizzate.
- Indossare sempre occhiali di protezione e protezioni per le orecchie durante l'uso del fucile.
- Controllare che il fucile sia scarico prima di maneggiarlo o di effettuare qualsiasi manutenzione.
- Non puntare mai il fucile verso persone o animali.
- Seguire sempre le istruzioni del produttore riguardanti l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizzare solo munizioni specificate dal produttore per il fucile GFR 6MM ARC.
- Non modificare il fucile in alcun modo, inclusi i componenti e gli accessori.
- Assicurarsi che il fucile sia sempre in buone condizioni di funzionamento. Effettuare controlli regolari e manutenzione.
- In caso di malfunzionamenti, interrompere immediatamente l'uso e contattare un professionista qualificato per assistenza.
- Non utilizzare il fucile in condizioni atmosferiche estreme, come pioggia intensa o neve.

Istruzioni per l'Installazione e l'Uso

- **Installazione dell'ottica:** Assicurarsi che l'ottica sia montata saldamente sul rail Picatinny 1913. Seguire le istruzioni del produttore dell'ottica per il montaggio.
- **Caricamento del fucile:**
 - Assicurarsi che il fucile sia in posizione di sicurezza.
 - Inserire il caricatore da 8 colpi nell'apposito alloggiamento.
 - Tirare indietro la maniglia di carica Geissele Super per caricare un colpo nel camerino.
- **Sparare:**
 - Assumere una posizione di tiro stabile.
 - Verificare che l'area di tiro sia libera da ostacoli e persone.
 - Attivare il selettore di sicurezza e portarlo in posizione di fuoco.
 - Premere il grilletto GFRE in modo controllato.
- **Manutenzione:**
 - Pulire il fucile dopo ogni utilizzo per garantire prestazioni ottimali.
 - Utilizzare prodotti di pulizia approvati per armi da fuoco.
 - Controllare regolarmente il blocco gas e il gruppo di trasporto per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Smaltire il fucile e i suoi componenti seguendo le normative locali riguardanti i rifiuti pericolosi.
- Non abbandonare il fucile o i suoi componenti in luoghi pubblici o in natura.
- Contattare un centro di smaltimento autorizzato per informazioni su come smaltire in modo sicuro il fucile e le munizioni.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso del Fucile FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC, si prega di contattare il produttore o consultare il sito web ufficiale per assistenza e risorse aggiuntive.

Si prega di seguire queste linee guida di sicurezza per garantire un utilizzo sicuro e responsabile del Fucile FREEDOM RIFLE (GFR) MARITIME RECCE 6MM ARC. La sicurezza è la priorità principale.
