

# K-SPEC AR-15 A5-LENGTH HEAVY BUFFER TUBE KIT - KAK INDUSTRY LLC. KSPEC AR15 A5-LENGTH H3 BUFFER TUBE KIT W/6.5OZ BUFFER BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets “tried and true”: K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry’s flatwire spring and A5 buffer tube, you have a complete buffer package that eliminates bolt bounce, flattens muzzle rise, and smoothes out recoil. KAK Industry developed their K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes a 4.7oz H1 K-SPEC buffer, flatwire spring, A5 buffer tube, and buffer install tool.

## Attributes

# KSPEC AR15 A5Length Heavy Buffer Tube Kit Safety Instructions

## Introduction

Thank you for purchasing the KSPEC AR15 A5Length Heavy Buffer Tube Kit from KAK Industry LLC. This product is designed to enhance the performance of your AR15 rifle while ensuring safe and reliable operation. Please read this safety instruction guide carefully to ensure proper usage and maintenance of the product.

## General Safety Guidelines

- Ensure you understand the operation of your firearm before using this product.
- Always handle firearms with care and follow the basic safety rules: treat every firearm as if it is loaded, keep your finger off the trigger until ready to shoot, and never point the firearm at anything you do not intend to shoot.
- Store all firearm components, including this buffer tube kit, in a secure location away from children and unauthorized users.
- Regularly inspect the buffer tube kit and your firearm for wear and damage.
- Be aware of and comply with local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

- Use only the KSPEC buffer system with compatible AR15 models to avoid malfunctions.
- Ensure that the buffer tube is installed correctly and securely before use.
- Avoid using excessive force when installing or removing the buffer tube and associated components.
- If you experience any unusual sounds or malfunctions while using your firearm with this buffer tube kit, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation

- Gather all components: KSPEC buffer, flatwire spring, A5 buffer tube, and buffer install tool.
- Ensure that your firearm is unloaded and in a safe condition before beginning installation.
- Remove the existing buffer tube from your AR15 if applicable.
- Install the A5 buffer tube by following these steps:
  - Insert the flatwire spring into the buffer tube.
  - Attach the KSPEC buffer to the end of the spring.
  - Secure the buffer tube to the receiver of your firearm according to the manufacturer's instructions.
- Use the buffer install tool if necessary to assist with installation.

### 2. Usage

- After installation, ensure that the buffer tube and all components are secure.
- Test the operation of the buffer system by cycling the action of the firearm without ammunition.
- When ready to shoot, load your firearm according to standard safety practices.
- Monitor the performance of the buffer system during use; if any issues arise, discontinue use immediately.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of components in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods for firearm components.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the KSPEC AR15 A5Length Heavy Buffer Tube Kit, please contact the manufacturer directly. Ensure that you have your product details available for reference.

Thank you for choosing KSPEC. Your safety is our priority. Enjoy your enhanced shooting experience responsibly!
