# CLASSIC TRITIUM SIGHT SET FOR GLOCK® GEN 5 19 & 23 SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the AMERIGLO® Classic Tritium Sight Set for your Glock® Gen 5 19 & 23. This guide provides essential safety instructions to ensure the safe use and installation of your new sight set. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the sight set is used only on compatible models (Glock® Gen 5 19 & 23).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the sight set out of reach of children and vulnerable individuals.
- Regularly check for any damage or wear to the sight set to ensure optimal performance.
- In case of any malfunction or damage, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Visibility:** The tritium lamps in the sight set are designed for visibility in lowlight conditions. However, always ensure adequate lighting when aiming.
- **Installation:** Follow the installation instructions carefully. Improper installation may lead to misalignment and unsafe handling of the firearm.
- **Maintenance:** Regularly clean the sights according to the manufacturer's recommendations to maintain their effectiveness.
- **Inspection:** Before each use, inspect the sights for any signs of damage. If any issues are found, do not use the firearm until it has been checked by a qualified gunsmith.
- **Storage:** Store the firearm in a secure location, ensuring that the sight set is protected from impact or moisture.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights using appropriate tools.
- Align the front sight with the slide and secure it in place.
- Install the rear sight by aligning it with the slide and securing it.
- Check for proper alignment and functionality before use.

### 2. Usage:

- Familiarize yourself with the sight's features and how they function in different lighting conditions.
- Practice aiming and adjusting your sights in a safe and controlled environment.
- Always follow safe shooting practices when using your firearm.

## Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic and hazardous waste.
- Do not dispose of the sight set in regular household waste.
- Contact your local waste disposal authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the official AMERIGLO® website or contact your local dealer.

Thank you for your attention to these safety instructions. Your safety and that of others is paramount when handling firearms and accessories. Always prioritize responsible usage and maintenance.
