# iDOT TRITIUM SIGHT SET FOR GLOCK® GEN 14

## CONSUMER SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the iDOT Tritium Sight Set for Glock® Gen 14. This product is designed to enhance your shooting experience by providing quick and easy vertical sight alignment. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that you are familiar with the operation of your firearm and how to safely use the iDOT Tritium Sight Set.
- Keep the sight set and all firearms out of reach of children and unauthorized users.
- Inspect the sight set regularly for any signs of wear or damage.
- If you encounter any issues with the sight set, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when using firearms.

### Specific Safety Precautions for Use

- Ensure that the sight set is compatible with your specific Glock® model (Gen 14, 10mm/.45/.357).
- Avoid using the sight set in adverse weather conditions, such as heavy rain or snow, which may affect visibility.
- Be aware that the tritium in the sights is a radioactive material; however, it is contained within the sight and poses no risk during normal use.
- Do not attempt to disassemble or modify the sight set, as this may compromise its safety and performance.
- If you are unsure about installation or usage, seek assistance from a qualified professional.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Use the appropriate tools to remove the existing sights from your Glock®.
- Align the iDOT Tritium sights with the mounting points on your Glock®.
- Securely fasten the new sights in place, ensuring they are properly aligned for optimal accuracy.
- Verify that the sights are firmly attached before using the firearm.

#### 2. Usage:

- Familiarize yourself with the sight alignment process using the dotoverdot configuration.
- Practice aiming with the iDOT sights in a safe and controlled environment before using in live conditions.
- Regularly check the sights for proper alignment and condition, especially after extensive use.

### Disposal Instructions

- Dispose of the iDOT Tritium Sight Set in accordance with local regulations regarding electronic and hazardous waste.
- Do not throw the sight set in regular household waste.
- Contact your local waste management authority for specific disposal instructions for tritium-containing

products.

## **Contact Information for Further Support**

For questions or concerns regarding the iDOT Tritium Sight Set, please refer to the product packaging or the retailer from whom you purchased the product for assistance.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the iDOT Tritium Sight Set for Glock® Gen 14. Thank you for your attention to these important safety instructions.
