# Safety Instruction Guide for 1L Tall Optic Compatible Tritium Sight Set for Glock® MOS

## Introduction

Thank you for choosing the 1L Tall Optic Compatible Tritium Sight Set for Glock® MOS by AMERIGLO. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the sights.
- Inspect the product for any visible damage before use.
- Follow all local laws and regulations regarding firearm accessories.
- Ensure that the sights are compatible with your specific Glock model and MOS slide.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the sights only as intended and according to the manufacturer's instructions.
- Avoid using the sights if they show signs of wear or damage.
- Ensure the installation is performed by a qualified gunsmith if you are not experienced.
- Do not attempt to modify or alter the sights in any way.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your Glock is unloaded and in a safe condition.
2. **Remove Old Sights:** If applicable, carefully remove the existing sights from your Glock.
3. **Align the Sights:** Position the front sight at the designated location on the slide. Ensure it is level.
4. **Secure the Front Sight:** Use the appropriate tools to secure the front sight in place.
5. **Install the Rear Sight:** Align the rear sight with the specified location on the slide. Ensure it is level and properly aligned with the front sight.
6. **Secure the Rear Sight:** Use the appropriate tools to secure the rear sight in place.
7. **Final Check:** Inspect the installation to ensure both sights are secure and properly aligned.

### Usage

- When aiming, ensure you have a clear line of sight through the optic window.
- The tritium sights are designed to provide visibility in lowlight conditions; however, always ensure you are in a safe environment when using your firearm.
- Regularly check the sights for any signs of wear or misalignment.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not incinerate or attempt to dismantle the sights.

## **Contact Information for Further Support**

For further support or inquiries regarding safety, installation, or usage of the 1L Tall Optic Compatible Tritium Sight Set, please contact your local AMERIGLO representative or authorized dealer.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
