# XL TALL OPTIC COMPATIBLE TRIT SIGHTS GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the XL Tall Optic Compatible Trit Sights for your Glock®. This guide provides essential safety instructions and information to ensure the safe use and installation of your new sights. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before installing new sights.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Use the sights only for their intended purpose and in accordance with the manufacturer's instructions.
- Regularly inspect the sights for any signs of damage or wear. If any issues are found, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- Avoid using the sights in adverse weather conditions that may impair visibility or sight alignment.
- Do not attempt to modify or disassemble the sights, as this may compromise their safety and functionality.
- When using the sights in conjunction with a suppressor, ensure that the suppressor is properly installed and functioning before firing.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- If using an RMR equipped slide, ensure that the slide is securely mounted and that the sights are properly aligned.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Clear Your Firearm:** Before beginning installation, ensure that your firearm is unloaded and pointed in a safe direction.
3. **Remove Old Sights:** If applicable, carefully remove the existing sights from the slide of your Glock®.
4. **Install New Sights:**
  - Align the new sights with the mounting points on your Glock® slide.
  - Securely attach the front sight first, followed by the rear sight.
  - Ensure that both sights are firmly in place and properly aligned.
5. **Check Alignment:** Once installed, check the alignment of the sights to ensure they are straight and level.

### Usage

- When aiming, ensure that the sights are properly aligned with your target.
- Use the Tritium illumination at lowlight conditions for enhanced visibility.
- Practice regularly to become familiar with the sight picture and improve accuracy.

## Disposal Instructions

- When the sights reach the end of their usable life or if they are damaged, dispose of them responsibly.
- Follow local regulations for the disposal of firearm accessories.
- Consider recycling materials where possible.

## Contact Information for Further Support

For further support and inquiries regarding the XL Tall Optic Compatible Trit Sights, please refer to the manufacturer's website or customer service channels. Ensure you have your product details at hand for the most efficient assistance.

Thank you for prioritizing safety while using the XL Tall Optic Compatible Trit Sights for your Glock®. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
