Safety Instruction Guide for XL Tall Optic Compatible Tritium Sight Set for Glock® Ameriglo XL Opt Comp Sights

Introduction

Thank you for choosing the XL Tall Optic Compatible Tritium Sight Set for Glock® by Ameriglo. This guide provides important safety instructions and usage information to ensure the safe and effective use of your new sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the product by following the instructions provided.
- Be aware of potential hazards associated with firearm accessories.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage before use.
- If you suspect the product is defective or unsafe, discontinue use immediately and seek advice.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sight set.
- Use only compatible models as specified in the product description.
- Avoid using the sight set in extreme weather conditions that may affect visibility.
- Do not attempt to modify or disassemble the sight set.
- If the sight set becomes damaged, do not use it until it has been repaired or replaced.
- Always wear appropriate eye protection when using firearms equipped with this sight set.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure that your firearm is unloaded.
- Remove the existing sights from your Glock® MOS slide.
- Align the Ameriglo sight set with the mounting points on the slide.
- Secure the front sight using the provided screws and tools, ensuring it is tight and stable.
- Repeat the process for the rear sight, ensuring it is aligned properly for optimal sight picture.
- Once installed, check that both sights are secure and properly aligned.

2. Usage Instructions:

- Familiarize yourself with the sight picture before using the firearm in a live environment.
- Adjust your shooting stance and grip to accommodate the new sight set.
- Practice using the sights in a safe and controlled environment to gain confidence.
- Regularly check the alignment of the sights, especially after extended use or if the firearm has been dropped.

Disposal Instructions

- When the sight set reaches the end of its life cycle or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.

- Seek guidance from local waste management authorities on proper disposal methods for firearm accessories.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the XL Tall Optic Compatible Tritium Sight Set for Glock®, please refer to the manufacturer's website or contact the authorized dealer from whom you purchased the product.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Ameriglo sight set. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these important safety measures.
