[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Exclusive to Brownells! The standard-issue night sight set for the FBI and US Marshals! AmeriGlo's Agent night sight set for Glock® is a major step forward in night sight design that delivers improved visibility and faster sight acquisition in any lighting conditions. These are low-profile, fixed sights designed to meet the daily carry needs of law enforcement officers. AmeriGlo Agent sights for Glock® employ the proven 3-dot configuration preferred by many experienced shooters. The ProGlo style front blade has a vivid green Tritium lamp surrounded by a bright orange outline, so there's no trouble identifying your front sight under stress. The fixed rear sight has a rounded U-notch flanked by two green Tritium lamps with subdued black outlines. SPECS Drop-in replacements for factory sights Swiss-made self-illuminating Tritium lamps are backed by a 12-year warranty Rear U-notch (all): .165" wide Front sights: .140" wide (G42,43 is .125" Wide) Glock® 42/43 front: .190" high AmeriGlo Agent night sights are machined from high-grade steel barstock, dehorned to prevent snagging on your clothing during the draw, and given a durable, non-reflective black finish to match your Glock® slide. Even so, the rear sight body is shaped to support one-handed slide racking in an emergency. Fits 42,43,43X,48. AGENT TRITIUM NIGHT SIGHT SET FOR GLOCK® 42, 43, 43X, 48 Safety Instruction Guide

Introduction

Thank you for choosing the AGENT TRITIUM NIGHT SIGHT SET for your Glock® 42, 43, 43X, or 48. This guide provides essential safety instructions to ensure the correct and safe use of your night sight set. By following these guidelines, you can maximize the performance of your sights while minimizing any risks associated with their use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the night sights.
- Handle all firearms and accessories with care, following standard safety protocols.
- Be mindful of your surroundings and ensure that you are in a safe environment when using your firearm.
- Regularly inspect your night sights for any signs of wear or damage. If any issues are found, discontinue use and seek professional assistance.
- Keep the night sights out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Ensure that the Tritium lamps are not damaged. If you notice any cracks or leaks, do not use the sights.
- Do not attempt to modify or disassemble the night sights. Doing so may compromise their integrity and safety.
- Use the night sights only as intended. They are designed for use with Glock® models 42, 43, 43X, and 48.
- Be aware that Tritium lamps have a limited lifespan. Check the warranty and replace the sights as necessary to ensure optimal performance.
- If you experience any discomfort or adverse effects while using the sights, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded. Remove the magazine and check the chamber.
2. **Remove Factory Sights:** Use a sight pusher tool to carefully remove the factory sights from your Glock®.
3. **Install Night Sights:**
 - Align the rear sight with the dovetail cut on the slide and press it into place.
 - Use the sight pusher tool to ensure a snug fit without damaging the sight or slide.
 - Repeat the process for the front sight, ensuring it is securely fastened.
4. **Final Check:** Once installed, doublecheck that both sights are aligned and secure.

Usage

- When aiming, ensure that the front sight is aligned with the rear sight and your target.
- The Tritium lamps will glow in lowlight conditions, providing visibility. Practice using your sights in various lighting conditions to become familiar with their performance.
- Regularly practice safe handling and shooting techniques to maintain proficiency with your firearm.

Disposal Instructions

- Dispose of the night sights in accordance with local regulations regarding hazardous materials.
- If the Tritium lamps are damaged or the sights are no longer usable, contact a professional for safe disposal options.
- Do not throw away the night sights in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the AGENT TRITIUM NIGHT SIGHT SET, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By adhering to these safety instructions, you can enjoy the benefits of your AGENT TRITIUM NIGHT SIGHT SET while ensuring your safety and the safety of those around you. Always prioritize safety and responsibility when handling firearms and accessories.
