Brownells Tall Tritium Night Sight Sets for Glock® Tall Tritium Night Sight Sets are intended for use with Brownells slides, but will work perfect on any standard Glock® firearm with standard sight Glock® cuts. Front serrated sights include a premium tritium insert with a white outline, making it easy to pick up. The rear sights are also serrated, and feature a U-Notch rear cut, making placement of the front sight in the notch quick and intuitive. Various heights allow you to optimize your sight set with your preferred red dot. Model Selection: 1L - Glock® 43x/48 with Holosun® 507k/407k, EPS Carry or Vortex® Defender - Slimmer width rear sight but still fits 17/19 width rear sight cut. With Holosun EPS on a standard Glock MOS this will result in a lower 1/3 co-witness. XL - Glock® Gen 3/4/5 with Aimpoint® Acro®, Holosun 509T or Steiner® MPS 3XL - Glock® Gen 3/4/5 with Holosun 407C/507C/508T, Trijicon® RMR®/RMR HD®/RCR®/SRO® or EOTech® EFLX Heights: 1L - .220" Front / .295" Rear XL - .315" Front / .394" Rear 3XL - .365" Front / .451" Rear

Consumer Safety Instruction Guide for TALL TRITIUM NIGHT SIGHT SETS FOR GLOCK

Introduction

Thank you for choosing the Brownells Tall Tritium Night Sight Sets for your Glock firearm. This guide provides essential safety instructions and information to ensure the safe use and installation of your night sights. Please read this guide carefully before use to understand the potential hazards and how to mitigate them.

General Safety Guidelines

- Ensure that the product is compatible with your specific Glock model before installation.
- Always follow the manufacturer's instructions for installation and usage to avoid accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Verify that your Glock model is compatible with the sight set. This product is designed for Glock® 17/19/20/21/22/26/34.
- **Installation:** Ensure that you are using the correct tools for installation to prevent damage to the sights or firearm.
- **Visibility:** The tritium inserts are designed to enhance visibility in low light conditions. However, do not rely solely on them for safety; always be aware of your surroundings.
- **Handling:** Handle your firearm with care. Always treat it as if it is loaded, even if you believe it is not.
- **Maintenance:** Regularly clean the sights to ensure optimal performance. Follow the manufacturer's recommendations for cleaning products.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a sight pusher tool, a small hammer, and any other tools recommended by the manufacturer.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing sights from your Glock using the sight pusher tool.
- Align the new Tall Tritium Night Sights with the sight cuts on your Glock.
- Carefully press the sights into place using the sight pusher tool. Avoid using excessive force.
- Doublecheck the alignment and ensure that the sights are securely installed.

3. Usage:

- Familiarize yourself with the sight picture. Practice aiming with the new sights in a safe environment.
- Adjust your aim as necessary based on the performance of the sights.
- Regularly check the sights for any movement or loosening after installation.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or is no longer in use, dispose of it responsibly. Check local guidelines for hazardous waste disposal if applicable.
- Do not discard in regular household waste if the product contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of your Tall Tritium Night Sight Sets, please refer to the manufacturer's website or contact your local authorized dealer.

Conclusion

By following the guidelines outlined in this document, you can ensure the safe and effective use of your Brownells Tall Tritium Night Sight Sets for Glock. Always prioritize safety and stay informed about product recalls and safety updates. Thank you for choosing our product, and we wish you safe and enjoyable shooting experiences.
