

PRECISION 308 WINCHESTER RIFLE BARREL - SONS OF LIBERTY GUN WORKS PRECISION 308 WIN 16" V2 PROFILE 5/8X24 THRD 1-9.73 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The SOLGW PRECISION barrels are unquestionably the most accurate barrels they've ever offered. Optimized for accuracy, the SPR contour and 5/8×24 threads at the muzzle are by no means lightweight, but they are routinely shooting 1/2MOA groups with multiple types of ammo. The PRECISION series is 416R stainless steel, black oxide coated, and cut with polygonal rifling. Please note that these barrels will have a shorter lifespan than the 4150CMV barrels, however the SOLGW warranty still applies. If you can manage to shoot one out, they'll still replace it for you free of charge.

Safety Instruction Guide for the PRECISION 308 Winchester Rifle Barrel

Introduction

Thank you for choosing the PRECISION 308 Winchester Rifle Barrel from Sons of Liberty Gun Works. This guide provides essential safety instructions and information for the safe use, installation, and disposal of your rifle barrel. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always treat the rifle barrel as if it is loaded.
- Keep the rifle barrel pointed in a safe direction at all times.
- Ensure that the barrel is installed correctly before use.
- Regularly inspect the barrel for any signs of damage or wear.
- Use only compatible ammunition with the specified caliber (308 Winchester).
- Store the rifle barrel in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage and ownership.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or accidents.
- Using incorrect ammunition can cause injury or damage.
- Firing a damaged barrel can result in catastrophic failure.

- **Avoiding Hazards:**

- Always follow the installation instructions provided.
- Use only highquality, factorymanufactured ammunition.
- Regularly clean and maintain the barrel to prevent corrosion and buildup.
- If you notice any unusual sounds or resistance while firing, stop using the barrel immediately and have it inspected by a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing barrel from the rifle following the manufacturer's instructions.
- Align the new PRECISION 308 Winchester Rifle Barrel with the receiver and ensure it is properly seated.
- Tighten the barrel nut according to the manufacturer's torque specifications.
- Check for proper alignment and ensure there is no play in the barrel.

2. Usage:

- Load the rifle only when you are ready to shoot.
- Always wear appropriate eye and ear protection while shooting.
- Maintain a firm grip on the rifle and be prepared for recoil.

- After firing, keep the rifle pointed downrange until you have ensured it is safe to handle.
- Clean the barrel after each use to maintain optimal performance.

Disposal Instructions

- When disposing of the rifle barrel, follow local regulations for hazardous waste.
- If the barrel is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.
- Do not dispose of the barrel in regular trash; instead, contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety, installation, or usage of your PRECISION 308 Winchester Rifle Barrel, please consult your local firearms dealer or a qualified gunsmith.

Thank you for prioritizing safety while enjoying your new rifle barrel.
