

# PRECISION 308 WINCHESTER RIFLE BARREL - SONS OF LIBERTY GUN WORKS PRECISION 308 WIN 18" V2H PROFILE 5/8X24 THRD 1-9.73 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The SOLGW PRECISION barrels are unquestionably the most accurate barrels they've ever offered. Optimized for accuracy, the SPR contour and 5/8×24 threads at the muzzle are by no means lightweight, but they are routinely shooting 1/2MOA groups with multiple types of ammo. The PRECISION series is 416R stainless steel, black oxide coated, and cut with polygonal rifling. Please note that these barrels will have a shorter lifespan than the 4150CMV barrels, however the SOLGW warranty still applies. If you can manage to shoot one out, they'll still replace it for you free of charge.

## Attributes

- Name: [SONS OF LIBERTY GUN WORKS PRECISION 308 WIN 18" V2H PROFILE 5/8X24 THRD 1-9.73 TWIST](#)

# Safety Instruction Guide for PRECISION 308 Winchester Rifle Barrel

## Introduction

Thank you for choosing the PRECISION 308 Winchester Rifle Barrel from Sons of Liberty Gun Works. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your rifle barrel. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure the rifle barrel is installed by a qualified gunsmith or experienced individual.
- Always handle firearms with care, treating them as if they are loaded.
- Store the rifle barrel and all related components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and ownership of firearms.

## Specific Safety Precautions for Use

- Only use ammunition that is compatible with the .308 Winchester cartridge.
- Do not exceed the recommended twist rate of 19.73 when selecting ammunition.
- Be aware of your surroundings when firing the rifle to ensure the safety of yourself and others.
- Always wear appropriate eye and ear protection when using the rifle.
- Do not modify the barrel or any firearm components without consulting a professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded before beginning installation.
- Use the appropriate tools to securely attach the barrel to the receiver.
- Confirm that the muzzle threads (5/824) are clean and free from debris before installation.
- Tighten the barrel to the manufacturer's specifications to ensure a secure fit.

### 2. Usage

- Before firing, doublecheck that the rifle is properly assembled and all components are functioning correctly.
- When ready to fire, ensure the safety is in the correct position.
- Aim in a safe direction and ensure the area is clear of obstructions and bystanders.
- After firing, inspect the barrel for any signs of overheating or damage.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding hazardous materials.
- Do not discard the barrel in regular household waste.
- Contact a local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding your PRECISION 308 Winchester Rifle Barrel, please consult the

manufacturer or a qualified professional. It is important to address any questions to ensure safe handling and usage of your firearm.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your PRECISION 308 Winchester Rifle Barrel. Thank you for your attention to these important guidelines.
