

# **AFTERRUNER + RAMJET FOR SIG SAUER P365® - RADIAN WEAPONS RAMJET BARREL W/AFTERRUNER MICRO COMP SIG P365 3.1" -BRONZE**

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

The Radian® AFTERRUNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while **LEGAL FOR SALE IN ALL 50 STATES\***. The AFTERRUNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite Black coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERRUNER™ aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. **FEATURES**

# Safety Instruction Guide for AFTERBURNER + RAMJET for SIG SAUER P365

## Introduction

Thank you for choosing the AFTERBURNER + RAMJET combo for your SIG SAUER P365. This product is designed to enhance your shooting experience by providing significant recoil reduction and improved accuracy. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the area is clear of people and obstacles before using the product.
- Store the product in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms and accessories.

## Specific Safety Precautions for Use

- This product is intended for use with the SIG SAUER P365 only. Do not use it with any other firearm models.
- Ensure that the firearm is unloaded before installing or removing the AFTERBURNER and RAMJET components.
- Do not attempt to modify or disassemble the AFTERBURNER or RAMJET components.
- Be aware of the potential for increased noise and muzzle blast when using compensators.
- Always wear appropriate hearing protection while shooting.
- Use only ammunition that is recommended for your firearm model to avoid malfunctions or damage.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Barrel:** If applicable, remove the existing barrel from the slide according to the manufacturer's instructions.
3. **Install RAMJET Barrel:**
  - Slide the RAMJET barrel into the slide until it is fully seated.
4. **Attach AFTERBURNER Compensator:**
  - Align the compensator with the barrel.
  - Slide the compensator over the barrel.
  - Insert the tapered locking screw into the INTRALOK mounting system.
  - Tighten the locking screw securely to ensure a proper fit.
5. **Check Installation:** Verify that the compensator is securely attached and that there are no gaps between the compensator and barrel.

### Usage

- Before shooting, perform a safety check to ensure the firearm is functioning correctly.
- Follow standard shooting practices, maintaining control and awareness of your surroundings.
- After use, allow the firearm and components to cool down before handling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact a local recycling center or hazardous waste disposal facility for guidance.

## Contact Information for Further Support

For any inquiries or concerns regarding the AFTERBURNER + RAMJET product, please reach out to your local dealer or authorized distributor. They can provide assistance and support related to product safety and maintenance.

**Note:** This guide is designed to help you use the AFTERBURNER + RAMJET safely and effectively. Always stay informed about safety practices and regulations to ensure a secure shooting experience.
