

COMPLETE SLIDE ASSEMBLIES FOR GLOCK 43® - COMPLETE SLIDE ASSEMBLY WITH THREADED BARREL FOR GLOCK 43

Fully Assembled, Complete Slide Assembly for New Builds or Upgrading Your Factory G43 Ready to build a new custom pistol or just upgrade your current Glock® 43? Top it off with our Complete Slide Assembly for Glock® 43, available in three configurations: with a premium match-quality barrel, a ½"-28 tpi threaded barrel to accept a sound suppressor, or with a ported barrel that vents through a window in the top of the slide to counteract muzzle rise and help you keep the sights on the target for subsequent shots. No need to install a bulky compensator on the muzzle, so your new comped pistol will still fit standard holsters for the Glock® 43. These slides come fully assembled with the barrel and all the internal small parts installed, making this RMR Slide the ideal upgrade for your factory Glock® 43 pistol or the perfect "top half" for a brand-new custom gun built on a compatible frame from another manufacturer. It features a pre-cut slot for easy, secure, low-profile mounting of a reflex red dot sight that fits the Holosun 407K footprint (adapter plates are available separately for RMR sights). If you're not mounting a red dot at the moment, we've included a lightweight reinforced polymer cover plate to neatly fill the slot. This slide comes with standard-height front and rear sights, which can serve as your primaries or a backup "iron" sights when paired with a red dot sight. Comes COMPLETE with barrel, front & rear sights, and small parts installed Fits Glock® 43 pistols & clones Built-in mounting slot for reflex sights with the Holosun 407k footprint Optic slot cover plate & recoil spring assembly also included Slide machined from 416 stainless steel billet, with a Black Nitride finish Choice of Solid top slide with standard barrel or ½"-28 tpi threaded barrel, OR distinctive top Window slide with ported/compensated barrel Each of our slides for Glock® starts life as a billet of 416 stainless steel that is machined to Glock® factory specifications inside, with a tough, extremely wear-resistant black Nitride finish. This slide fits standard Glock® factory G43 frames and compatible aftermarket frames. The match-quality barrel is machined from premium 416R stainless steel alloy. The muzzle of the threaded barrel has standard ½"-28 tpi threads. The ported barrel has eight ports angled to provide just the right counterforce to muzzle rise. On the sides at the rear, you'll find distinctive wide, shallow cocking serrations that give excellent "purchase" to rack the slide, plus a mirrored set of serrations up front that aid in manipulating the slide to press-check the chamber. Both sets of serrations make it easy to manipulate your pistol's slide from any angle and in any position. Hey, we have to admit these serrations just look very cool, too! Whether you're assembling a custom pistol to meet specific needs, or you're upgrading a factory Glock 43 for enhanced performance and versatility, a Brownells complete slide assembly is helps you complete your project quickly and easily! Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017.

Safety Instruction Guide for COMPLETE SLIDE ASSEMBLIES FOR GLOCK 43

Introduction

Thank you for choosing the COMPLETE SLIDE ASSEMBLIES FOR GLOCK 43. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure safe handling and use of the slide assembly.
- Regularly inspect the slide assembly for any signs of wear or damage before use.
- Keep the slide assembly out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm components and usage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Wear appropriate eye and ear protection when using the firearm.
- Do not modify the slide assembly or any other firearm components unless performed by a qualified gunsmith.
- Avoid using the slide assembly if it shows signs of damage or malfunction.
- Be aware of the potential for muzzle rise and ensure you are prepared to manage it when firing.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing slide from your Glock 43 by following the manufacturer's disassembly instructions.
- Align the new slide assembly with the frame of the Glock 43.
- Carefully slide it into place until it is fully seated.
- Reinstall any necessary components, such as the recoil spring assembly and sights, as per the provided instructions.
- Confirm that the slide moves freely and that all components are securely in place.

2. Usage Instructions:

- Before firing, conduct a thorough safety check of the firearm.
- Load ammunition suitable for the Glock 43 and ensure it is compatible with the slide assembly.
- Practice safe shooting habits, maintaining control of the firearm at all times.
- If using a red dot sight, ensure it is securely mounted and properly zeroed before use.
- After use, clean and maintain the slide assembly according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the slide assembly in accordance with local regulations regarding firearm components.
- Do not dispose of in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the COMPLETE SLIDE ASSEMBLIES FOR GLOCK 43, please refer to the manufacturer's contact information provided with your purchase. Ensure that you have your product details ready for reference.

Please keep this guide for future reference and ensure that all users of the COMPLETE SLIDE ASSEMBLIES FOR GLOCK 43 are aware of and understand these safety instructions. Your safety is our priority.

Guida alle Istruzioni di Sicurezza per l'Assemblaggio Completo della Slitta per Glock 43

Introduzione

Grazie per aver scelto l'Assemblaggio Completo della Slitta per Glock 43 di Brownells. Questo prodotto è progettato per migliorare le prestazioni della tua pistola e per facilitare un utilizzo sicuro e responsabile. È importante seguire tutte le istruzioni di sicurezza e utilizzo per garantire un'esperienza ottimale.

Linee Guida Generali di Sicurezza

- Leggi attentamente tutte le istruzioni prima di utilizzare il prodotto.
- Mantieni il prodotto fuori dalla portata dei bambini e di gruppi vulnerabili.
- Non utilizzare il prodotto in modo improprio o per scopi non previsti.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- In caso di problemi o malfunzionamenti, contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurati che la pistola sia scarica prima di installare o rimuovere l'assemblaggio della slitta.
- Utilizza solo accessori compatibili e raccomandati per il tuo Glock 43.
- Non tentare di modificare il prodotto in alcun modo.
- Indossa sempre occhiali protettivi quando utilizzi la pistola.
- Segui tutte le normative locali e nazionali riguardanti l'uso delle armi da fuoco.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati di avere a disposizione tutti gli strumenti necessari per l'installazione.
- Lavora in un'area ben illuminata e priva di distrazioni.

2. Installazione:

- Rimuovi la slitta originale dalla tua Glock 43 seguendo le istruzioni del produttore.
- Posiziona l'assemblaggio completo della slitta sulla tua Glock 43, assicurandoti che sia allineato correttamente.
- Fissa l'assemblaggio seguendo le specifiche di montaggio fornite.

3. Controllo PostInstallazione:

- Controlla che tutti i componenti siano saldamente fissati e che non ci siano parti allentate.
- Esegui un controllo di sicurezza per assicurarti che la pistola funzioni correttamente.

4. Uso della Pistola:

- Segui sempre le linee guida di sicurezza quando utilizzi la pistola.
- Fai attenzione a non sovraccaricare la pistola con accessori non compatibili.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali.
- Non gettare il prodotto nell'ambiente. Contatta un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni per Ulteriori Supporto

Per ulteriori informazioni o assistenza, contatta il tuo rivenditore autorizzato o un professionista qualificato.

Nota Importante

Questa guida è stata redatta in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti (GPSR) dell'Unione Europea. È fondamentale seguire tutte le istruzioni di sicurezza e di utilizzo per garantire un'esperienza sicura e soddisfacente con il tuo Assemblaggio Completo della Slitta per Glock 43.

Säkerhetsinstruktioner för COMPLETE SLIDE ASSEMBLIES FÖR GLOCK 43

Introduktion

Tack för att du valt Brownells COMPLETE SLIDE ASSEMBLY för Glock 43. Denna produkt är utformad för att förbättra prestanda och mångsidighet hos din pistol. För att säkerställa en säker och korrekt användning av produkten, vänligen läs och följ dessa säkerhetsinstruktioner noggrant.

Allmänna säkerhetsriktlinjer

- Använd alltid produkten i enlighet med tillverkarens instruktioner.
- Kontrollera alltid att vapnet är avstängt och inte laddat innan du utför installation eller underhåll.
- Håll produkten och alla tillbehör utom räckhåll för barn och andra obehöriga.
- Rapportera alltid osäkra produkter eller olyckor till myndigheterna.
- Kontrollera regelbundet EU:s Safety Gateplattform för uppdateringar om återkallelser.

Specifika säkerhetsåtgärder för användning

- Använd skyddsglasögon och hörselskydd under installation och användning av produkten.
- Kontrollera att alla delar är korrekt installerade innan användning.
- Undvik att använda produkten om du upptäcker skador eller defekter.
- Använd endast rekommenderade tillbehör och komponenter som är kompatibla med Glock 43.
- Var medveten om att modifieringar av produkten kan påverka säkerheten och garantin.

Instruktioner för installation och användning

1. Förberedelse:

- Kontrollera att du har alla nödvändiga verktyg och komponenter.
- Läs igenom installationsmanualen noggrant.

2. Installation:

- Ta bort den gamla slidern från din Glock 43 genom att följa tillverkarens instruktioner.
- Montera den nya COMPLETE SLIDE ASSEMBLY genom att placera den på rammen och se till att den sitter ordentligt.
- Kontrollera att pipan och alla interna smådelar är korrekt installerade.

3. Säkerhetskontroll:

- Innan du använder pistolen, kontrollera att den är avstängd och att inga patroner finns i kammaren.
- Testa att slidern rör sig fritt och att alla funktioner fungerar som de ska.

4. Användning:

- Använd pistolen endast på avsedda platser och i enlighet med lokala lagar och förordningar.
- Var medveten om din omgivning och säkerställ att du har en säker bakgrund innan du avfyrar.

Avfallshanteringsinstruktioner

- Följ lokala föreskrifter för avfallshantering av skadade eller oanvändbara delar.
- Återvinn material där det är möjligt, inklusive metall och plast.

Kontaktinformation för ytterligare support

För frågor eller mer information om produkten, vänligen kontakta din lokala återförsäljare eller besök vår hemsida.

Tack för att du följer dessa säkerhetsinstruktioner. Genom att använda produkten på ett säkert och ansvarsfullt sätt kan du njuta av en förbättrad upplevelse med din Glock 43.
