

# FHD FLASH HIDERS - REARDEN MANUFACTURING GROUP LLC FHD FLASH HIDER 1/2-28 SQUARE SHOULDER BLACK NITRIDE

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

FHD FLASH HIDERS These fit the plan B type mounts. This is an updated version that has larger wrench flats on the rear. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Use on a Q can voids your warranty, be warned. Torque the muzzle device to approximately 30 ft lbs. Make sure the muzzle device is square against the shoulder. When setting the silencer on the muzzle device, ensure that the threads and tapers are clean. Torque the suppressor to 10 ft lbs. Ensure alignment. Enjoy. The nitride finish does lead to a tighter seal, with that said, it is extremely important to torque and rockset your muzzle device to the barrel properly. FEATURES: 17-4 PH H900 Atlas and Atlas XL Compatible Plan B Compatible Atlas XL Adapter No Overrun Black Nitride Finish (67 HRC Surface Hardness) Shims Not Included, if you would like to specifically time this, shims will be required. Note: your barrel may require a shim if the manufacturer did not put a thread relief on it.

# FHD Flash Hiders Safety Instruction Guide

## Introduction

Thank you for choosing the FHD Flash Hider by Rearden Manufacturing Group LLC. This product is designed to enhance your shooting experience while ensuring safety and functionality. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use when installed and maintained correctly. Always follow the instructions provided.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized channels. Always check for updates regarding safety.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact provided by the retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use an alignment rod to ensure proper setup.
- Clean all surfaces before installation to prevent contamination.
- Ensure the muzzle device is torqued and secured with Rockset to the barrel.
- Do not use the device on a Q can, as this will void your warranty.
- Torque the muzzle device to approximately 30 ftlbs to ensure a secure fit.
- Confirm that the muzzle device is square against the shoulder before attaching the silencer.
- Clean threads and tapers before setting the silencer onto the muzzle device.
- Torque the suppressor to 10 ftlbs and ensure proper alignment.
- The nitride finish provides a tighter seal; however, proper installation is crucial for safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including an alignment rod and torque wrench.
- Ensure the work area is clean and free of debris.

### 2. Installation:

- Clean the barrel and muzzle device thoroughly.
- Align the muzzle device with the barrel and insert it.
- Use the torque wrench to tighten the muzzle device to approximately 30 ftlbs.
- Confirm that the muzzle device is square against the shoulder.

### 3. Attaching the Silencer:

- Clean the threads and tapers on both the muzzle device and silencer.
- Align the silencer with the muzzle device and screw it on.
- Torque the suppressor to 10 ftlbs while ensuring it is aligned properly.

#### **4. Final Checks:**

- Doublecheck all connections to ensure they are secure.
- Perform a visual inspection to confirm that there are no loose parts.

## **Disposal Instructions**

- Dispose of the FHD Flash Hider in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the FHD Flash Hider, please refer to the retailer from whom you purchased the product. They will provide you with the necessary support and guidance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your FHD Flash Hider. Thank you for your attention to safety and compliance.
