# FHD Flash Hiders Safety Instruction Guide

## Introduction

Thank you for choosing the FHD Flash Hider by Rearden Manufacturing Group LLC. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:**
  - Ensure safe use of the FHD Flash Hider, which is designed for firearms.
  - Follow all safety instructions to minimize risks associated with firearm accessories.
- **Enhanced Recalls:**
  - Be aware of any product recalls. Check the EU Safety Gate platform for updates and information on safety recalls.
- **Online Shopping:**
  - When purchasing online, ensure that the seller meets all safety requirements.
- **Special Consumer Focus:**
  - This product is intended for adult use only. Keep out of reach of children.
- **EU Contact Point:**
  - For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:**
  - Stay informed about potential hazards through the EU Safety Gate system.

## Specific Safety Precautions for Use

- Always use an alignment rod to ensure proper setup of the muzzle device and silencer.
- Ensure all surfaces are clean before installation.
- Torque the muzzle device to approximately 30 ftlbs and ensure it is square against the shoulder.
- When attaching the suppressor, torque it to 10 ftlbs and ensure proper alignment.
- Avoid using the FHD Flash Hider with Q cans, as this may void your warranty.
- The nitride finish contributes to a tighter seal; therefore, proper installation is crucial.
- If your barrel does not have a thread relief, a shim may be required for proper fitment.
- Check for any visible damage or wear before each use. If damaged, do not use the product.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: alignment rod, torque wrench, and cleaning materials.
- Ensure your work area is clean and free from distractions.

## **2. Installation Steps:**

- Clean the muzzle area of your firearm to remove any debris or oil.
- Align the FHD Flash Hider with the muzzle of the firearm.
- Use the alignment rod to confirm proper alignment.
- Torque the muzzle device to approximately 30 ftlbs, ensuring it is square against the shoulder.
- If required, install shims to time the muzzle device correctly.
- Attach the suppressor by screwing it onto the muzzle device. Torque to 10 ftlbs.
- Check alignment once more before finalizing the installation.

## **3. PostInstallation:**

- Inspect the installation to ensure everything is secure.
- Confirm that there are no obstructions to the threads or taper.
- Test the setup in a safe environment before regular use.

## **Disposal Instructions**

- Dispose of the FHD Flash Hider in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or hazardous waste facility.
- Ensure that any firearm accessories are disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the FHD Flash Hider, please refer to the contact information provided by your retailer or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure the safe and effective use of your FHD Flash Hider. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
