

# FHD FLASH HIDERS - REARDEN MANUFACTURING GROUP LLC FHD FLASH HIDER 13X1 RH FACEMOUNT SHOULDER BLACK NITRIDE

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

FHD FLASH HIDERS These fit the plan B type mounts. This is an updated version that has larger wrench flats on the rear. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Use on a Q can voids your warranty, be warned. Torque the muzzle device to approximately 30 ft lbs. Make sure the muzzle device is square against the shoulder. When setting the silencer on the muzzle device, ensure that the threads and tapers are clean. Torque the suppressor to 10 ft lbs. Ensure alignment. Enjoy. The nitride finish does lead to a tighter seal, with that said, it is extremely important to torque and rockset your muzzle device to the barrel properly. FEATURES: 17-4 PH H900 Atlas and Atlas XL Compatible Plan B Compatible Atlas XL Adapter No Overrun Black Nitride Finish (67 HRC Surface Hardness) Shims Not Included, if you would like to specifically time this, shims will be required. Note: your barrel may require a shim if the manufacturer did not put a thread relief on it.

# FHD Flash Hiders Safety Instruction Guide

## Introduction

Thank you for purchasing the FHD Flash Hider from Rearden Manufacturing Group LLC. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure that you are using the product in accordance with local laws and regulations.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or safety concern, discontinue use immediately and seek professional assistance.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that all surfaces are clean before installation.
- Always use an alignment rod to confirm that the entire system is set up correctly.
- Torque the muzzle device to approximately 30 ftlbs to ensure a secure fit.
- Make sure the muzzle device is square against the shoulder to prevent misalignment.
- When attaching the silencer, ensure that the threads and tapers are clean.
- Torque the suppressor to 10 ftlbs to ensure proper attachment.
- The use of a Q can may void your warranty; proceed with caution.
- The nitride finish enhances the seal, but proper torque and Rockset application are crucial.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including an alignment rod and torque wrench.

### 2. Installation

- Clean the barrel and muzzle device thoroughly.
- Align the muzzle device with the barrel.
- Use the torque wrench to tighten the muzzle device to approximately 30 ftlbs.
- Confirm that the muzzle device is square against the shoulder.
- Clean the threads and tapers of the silencer.
- Attach the silencer and torque it to 10 ftlbs.
- Doublecheck alignment to ensure proper fit.

### 3. Usage

- Always follow the manufacturer's guidelines for use.
- Monitor the product during use for any signs of wear or damage.
- If you experience any unusual sounds or performance issues, stop using the product immediately.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

- For any safety inquiries or concerns regarding this product, please refer to the manufacturer's contact details provided with your purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience with your FHD Flash Hider. Thank you for your attention to safety.
