# FHD Flash Hiders Safety Instruction Guide

## Introduction

Thank you for choosing the FHD Flash Hider manufactured by Rearden Manufacturing Group LLC. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible with your firearm before installation.
- Always handle your firearm and accessories with care, following standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for wear and damage to ensure the integrity of the flash hider and associated components.
- Be aware of your local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Use an alignment rod during installation to ensure proper setup of the entire system.
- Ensure that all surfaces are clean before installation to avoid improper fit or function.
- Torque the muzzle device to approximately 30 ftlbs to secure it properly.
- Ensure that the muzzle device is square against the shoulder to prevent misalignment.
- When attaching the suppressor, torque it to 10 ftlbs and ensure alignment.
- Avoid using the flash hider with a Q can, as this may void your warranty.
- The nitride finish enhances sealing; thus, proper torque and Rockset application are crucial.

## Instructions for Installation and Usage
