SPB MUZZLE BRAKE 0.375 1/2-28 THREADS SQUARE SHOULDER BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

SPB MUZZLE BRAKES These fit the plan B type mounts. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Use on a Q can voids your warranty, be warned. Torque the muzzle device to approximately 15-25ft lbs. Make sure the muzzle device is square against the shoulder. When setting the silencer on the muzzle device, ensure that the threads and tapers are clean. Torque the suppressor to 10 ft lbs. Ensure alignment. Enjoy. The nitride finish does lead to a tighter seal, with that said, it is extremely important to torque and rockset your muzzle device to the barrel properly. FEATURES: 17-4 PH H900 Atlas and Atlas XL Compatible Plan B Compatible Atlas Adapter Overrun Approximately 1.050" Atlas XL Adapter No Overrun Black Nitride Finish (67 HRC Surface Hardness) Shims Included* EXCEPT *Shims not included with the SR25/M110 or 11/16x24

SPB Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the SPB Muzzle Brake by Rearden Manufacturing Group LLC. This product is designed to enhance the performance of your firearm while ensuring safety during operation. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of your muzzle brake.

General Safety Guidelines

- Ensure that the muzzle brake is compatible with your firearm and its specifications.
- Always handle firearms and accessories with caution and respect.
- Keep the muzzle brake and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe products or incidents to relevant authorities.

Specific Safety Precautions for Use

- Always use an alignment rod when installing the muzzle brake to ensure proper setup.
- Clean all surfaces before installation to avoid debris interfering with the fit.
- Torque the muzzle device to approximately 1525 ftlbs to secure it properly.
- Ensure that the muzzle device is square against the shoulder of the barrel.
- When attaching a silencer, ensure that all threads and tapers are clean.
- Torque the suppressor to 10 ftlbs for secure attachment.
- Use Rockset to secure the muzzle device to the barrel, ensuring proper torque.
- Do not use the muzzle brake with a Q can, as this may void your warranty.
- Always ensure proper alignment when installing the muzzle brake and associated devices.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including an alignment rod, torque wrench, and Rockset.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Clean the barrel and muzzle device thoroughly.
- Align the muzzle brake with the barrel using the alignment rod.
- Secure the muzzle brake by torquing it to 1525 ftlbs.
- Check that the muzzle device is square against the shoulder of the barrel.

3. Attachment of Silencer (if applicable):

- Ensure that threads and tapers on the muzzle device are clean.
- Attach the silencer and torque it to 10 ftlbs.
- Doublecheck alignment and ensure everything is secure.

4. Final Checks:

- Inspect the installation to ensure all components are tight and properly aligned.
- Test the setup in a safe environment before regular use.

Disposal Instructions

- Dispose of the SPB Muzzle Brake in accordance with local regulations for metal products.
- If the product is damaged or no longer in use, ensure it is recycled or discarded properly to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the SPB Muzzle Brake, please refer to the manufacturer's website or contact your local dealer for assistance. Always ensure you have the latest information regarding recalls or safety notices related to this product.

Please follow these safety instructions carefully to ensure a safe and enjoyable experience with your SPB Muzzle Brake. Thank you for your attention to safety.
