SPB MUZZLE BRAKE 0.5 5/8-24 THREADS SQUARE SHOULDER

BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

SPB MUZZLE BRAKES These fit the plan B type mounts. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Use on a Q can voids your warranty, be warned. Torque the muzzle device to approximately 15-25ft lbs. Make sure the muzzle device is square against the shoulder. When setting the silencer on the muzzle device, ensure that the threads and tapers are clean. Torque the suppressor to 10 ft lbs. Ensure alignment. Enjoy. The nitride finish does lead to a tighter seal, with that said, it is extremely important to torque and rockset your muzzle device to the barrel properly. FEATURES: 17-4 PH H900 Atlas and Atlas XL Compatible Plan B Compatible Atlas Adapter Overrun Approximately 1.050" Atlas XL Adapter No Overrun Black Nitride Finish (67 HRC Surface Hardness) Shims Included* EXCEPT *Shims not included with the SR25/M110 or 11/16x24

SPB Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the SPB Muzzle Brake from Rearden Manufacturing Group LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your muzzle brake. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of the SPB Muzzle Brake by following all instructions.
- Be aware of potential hazards associated with improper installation and usage.
- Always use the muzzle brake in accordance with applicable laws and regulations.
- Use an alignment rod during installation to ensure proper setup.
- Regularly check for any signs of wear or damage to the muzzle brake.
- Keep out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Muzzle Device Installation:**
 - Clean all surfaces before installation.
 - Ensure the muzzle device is properly torqued to 1525 ft lbs.
 - Confirm that the muzzle device is square against the shoulder.
- **Silencer Attachment:**
 - Always clean threads and tapers before attaching the silencer.
 - Torque the suppressor to 10 ft lbs to ensure proper alignment.
- **Warranty Information:**
 - Using the muzzle brake on a Q can will void your warranty.
 - Ensure that the muzzle device is secured with Rockset to the barrel.
- **Finish Consideration:**
 - The nitride finish provides a tighter seal; however, proper installation is critical.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including an alignment rod, torque wrench, and Rockset.
- Ensure your workspace is clean and free from obstructions.

2. Installation Steps:

- Clean the barrel and muzzle device surfaces thoroughly.
- Use the alignment rod to position the muzzle device correctly.
- Torque the muzzle device to approximately 1525 ft lbs.
- Verify that the muzzle device is square against the shoulder.

3. Attaching the Silencer:

- Clean the threads and tapers of the muzzle device.
- Attach the silencer and torque it to 10 ft lbs.
- Doublecheck alignment to ensure proper function.

4. Final Checks:

- Inspect the installation for any signs of misalignment or damage.
- Test the setup in a safe environment before regular use.

Disposal Instructions

- Dispose of the SPB Muzzle Brake in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling materials where applicable.
- Do not dispose of the muzzle brake in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the SPB Muzzle Brake, please consult your retailer or visit the manufacturer's website for support resources.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your SPB Muzzle Brake. Please keep this guide for future reference and share it with anyone who may use this product. Thank you for your attention to safety.
