RPB Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the RPB Muzzle Brake from Rearden Manufacturing Group LLC. This guide provides essential safety instructions to ensure the safe use and installation of your muzzle brake. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the muzzle brake and the firearm for any signs of damage before installation.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use an alignment rod when installing the muzzle brake to ensure proper setup.
- Make sure all surfaces are clean before installation to avoid improper sealing.
- Torque the muzzle device to approximately 30 ftlbs as recommended.
- Ensure the muzzle device is square against the shoulder of the barrel.
- When attaching the silencer, ensure that the threads and tapers are clean.
- Torque the suppressor to 10 ftlbs to maintain alignment and prevent loosening.
- Using the muzzle brake on a Q can may void your warranty; proceed with caution.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and an alignment rod.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Clean the barrel and the muzzle device thoroughly to remove any debris or oil.
- Align the muzzle brake with the barrel using the alignment rod.
- Handtighten the muzzle brake onto the barrel.
- Using a torque wrench, tighten the muzzle brake to approximately 30 ftlbs.
- Confirm that the muzzle brake is square against the shoulder of the barrel.
- If applicable, install the silencer by ensuring that the threads and tapers are clean.
- Torque the suppressor to 10 ftlbs for secure attachment.

3. PostInstallation Check

- Inspect the installation to ensure that everything is properly aligned and torqued.
- Perform a test to ensure that the muzzle brake functions correctly.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the RPB Muzzle Brake, please refer to the manufacturer's website or customer service resources for assistance.

By following these guidelines, you can ensure the safe and effective use of your RPB Muzzle Brake. Thank you for your attention to safety. Enjoy your product responsibly.
