MINI MUZZLE BRAKE REARDEN MANUFACTURING GROUP LLC Safety Instructions

Introduction

Thank you for choosing the MINI MUZZLE BRAKE by Rearden Manufacturing Group LLC. This safety instruction guide is designed to help you use this product safely and effectively. Please read all instructions carefully before use to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of damage or wear.
- Do not attempt to modify or repair the product yourself.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use an alignment rod to ensure that the entire system is set up correctly.
- Clean all surfaces before installation to avoid contamination.
- Ensure that the muzzle device is properly torqued and secured with Rockset to the barrel.
- Avoid using the muzzle brake on a Q can, as this may void your warranty.
- Torque the muzzle device to approximately 1525 ft lbs.
- Make sure the muzzle device is square against the shoulder.
- When attaching the silencer, ensure that the threads and tapers are clean.
- Torque the suppressor to 10 ft lbs to ensure proper alignment.
- Always check for alignment before use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including an alignment rod, torque wrench, and cleaning supplies.
- Ensure that the work area is clean and free from obstructions.

2. Installation

- Clean the barrel and muzzle device thoroughly to remove any debris or contaminants.
- Align the muzzle device with the barrel using the alignment rod.
- Torque the muzzle device to 1525 ft lbs, ensuring it is square against the shoulder.
- If using a silencer, clean the threads and tapers before attaching.
- Secure the suppressor by torquing it to 10 ft lbs.

3. Usage

- After installation, check the alignment of the muzzle brake and suppressor.
- Always handle the firearm with care and follow all safety protocols.
- Regularly inspect the muzzle brake for any signs of damage or wear during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not throw the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact their customer service department. Ensure you have the product information available when seeking support.

By following these safety instructions, you can ensure a safe and effective experience with the MINI MUZZLE BRAKE. Thank you for your attention to safety and for choosing our product.
