MINI MUZZLE BRAKE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MINI MUZZLE BRAKE by Rearden Manufacturing Group LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- This product is designed for use with firearms. Ensure you are familiar with all applicable laws and regulations regarding firearm accessories in your area.
- Always handle firearms and related accessories responsibly and safely.
- Keep this product out of reach of children and unauthorized users.
- Inspect the muzzle brake regularly for any signs of wear or damage. Do not use if damaged.
- Follow all manufacturer instructions and recommendations to avoid hazards.

Specific Safety Precautions for Use

- Always use an alignment rod to ensure proper installation.
- Ensure all surfaces are clean before installation.
- The muzzle device must be securely torqued and treated with Rockset to the barrel.
- Using this product with a Q can may void your warranty. Use caution.
- Torque the muzzle device to approximately 1525 ft lbs.
- Ensure the muzzle device is square against the shoulder.
- When attaching the silencer, ensure that threads and tapers are clean.
- Torque the suppressor to 10 ft lbs and ensure proper alignment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure the workspace is clean and safe.
- Ensure the firearm is unloaded and pointed in a safe direction at all times.

2. Installation:

- Clean the barrel and the muzzle device thoroughly.
- Align the muzzle brake with the barrel using the alignment rod.
- Securely torque the muzzle device to 1525 ft lbs.
- Ensure the muzzle device is square against the shoulder of the barrel.
- Clean the threads and tapers of the silencer before installation.
- Attach the silencer and torque it to 10 ft lbs.
- Perform a final check to ensure all components are secure and properly aligned.

3. Usage:

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Regularly check the muzzle brake for any signs of wear, damage, or loosening.
- Follow all firearm safety protocols during use.

Disposal Instructions

- When disposing of this product, follow local regulations for disposal of metal products.
- Consider recycling when possible to minimize environmental impact.

Contact Information for Further Support

For questions or concerns regarding safety or installation, please refer to the Rearden Manufacturing Group LLC website or contact your local authorized dealer.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MINI MUZZLE BRAKE. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important details.
