MINI MUZZLE BRAKE Safety Instruction Guide

Introduction

Thank you for choosing the MINI MUZZLE BRAKE from Rearden Manufacturing Group LLC. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand all instructions before installation and use.

General Safety Guidelines

- Always use an alignment rod to ensure the entire system is set up correctly.
- Ensure all surfaces are clean before installation.
- The muzzle device must be torqued and secured with Rockset to the barrel.
- Using the muzzle brake on a Q can void your warranty; proceed with caution.
- Torque the muzzle device to approximately 1525 ft lbs.
- Ensure that the muzzle device is square against the shoulder.
- When attaching the silencer, ensure that the threads and tapers are clean.
- Torque the suppressor to 10 ft lbs and ensure proper alignment.
- Regularly check the product for any signs of wear or damage.

Specific Safety Precautions for Use

- This product is intended for use with firearms that are compatible with the specified caliber (.50 Caliber).
- Keep the product out of reach of children and unauthorized users.
- Ensure proper training and understanding of firearm safety before use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms equipped with this muzzle brake.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect the muzzle brake for signs of wear or damage before each use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including an alignment rod, torque wrench, and cleaning supplies.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Cleaning:

- Clean the surfaces of the barrel and muzzle device to remove any debris or contaminants.

3. Installation:

- Align the muzzle brake with the threads on the barrel.
- Use the alignment rod to ensure proper positioning.
- Torque the muzzle device to 1525 ft lbs, ensuring it is square against the shoulder.

4. Attaching the Silencer:

- Clean the threads and tapers of the silencer.
- Attach the silencer to the muzzle device.
- Torque the suppressor to 10 ft lbs, ensuring proper alignment.

5. Final Checks:

- Doublecheck all connections and ensure everything is secure before use.
- Conduct a safety check to ensure the firearm is functioning correctly.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Ensure that the product is rendered unusable before disposal to prevent any accidents.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For safety inquiries or further assistance, please contact your local distributor or refer to the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MINI MUZZLE BRAKE, and always prioritize safety.
