MINI MUZZLE BRAKE Safety Instruction Guide

Introduction

Thank you for choosing the MINI MUZZLE BRAKE by Rearden Manufacturing Group LLC. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure the product is suitable for your firearm and that you comply with local laws and regulations regarding muzzle devices.
- Always handle firearms and accessories with care and respect, treating them as if they are loaded.
- Store the MINI MUZZLE BRAKE in a secure location, away from children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before use.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

Specific Safety Precautions for Use

- Use an alignment rod during installation to ensure proper alignment of the muzzle brake.
- Ensure all surfaces are clean before installation to prevent any obstructions.
- Torque the muzzle device to approximately 1525 ft lbs to ensure it is securely attached.
- Avoid using the muzzle brake with a Q can, as this may void your warranty.
- When attaching the suppressor, torque it to 10 ft lbs and ensure proper alignment.
- Be aware that improper installation may lead to malfunctions or accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: alignment rod, torque wrench, and cleaning supplies.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Cleaning:

- Clean the barrel and muzzle device surfaces thoroughly to remove any debris or oil.

3. Installation:

- Align the MINI MUZZLE BRAKE with the barrel using the alignment rod.
- Secure the muzzle brake by torquing it to 1525 ft lbs.
- Ensure that the muzzle device is square against the shoulder of the barrel.

4. Attaching the Suppressor:

- Clean the threads and tapers of the suppressor before installation.
- Attach the suppressor to the muzzle device and torque it to 10 ft lbs.
- Check alignment once more to ensure everything is secure.

5. Final Checks:

- Conduct a visual inspection to ensure that all components are properly installed and secured.
- Perform a function check of the firearm in a safe and controlled environment.

Disposal Instructions

- Dispose of the MINI MUZZLE BRAKE according to local regulations for firearm accessories.
- If the product is damaged or no longer in use, ensure it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any inquiries or concerns regarding the MINI MUZZLE BRAKE, please refer to the contact information provided on the packaging or the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the MINI MUZZLE BRAKE. Always prioritize safety and stay informed about best practices. Enjoy your shooting experience responsibly!
