# MINI MUZZLE BRAKE USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MINI MUZZLE BRAKE from Rearden Manufacturing Group LLC. This guide provides essential safety information and instructions to ensure the safe and effective use of your muzzle brake. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure the product is used in accordance with local laws and regulations.
- Familiarize yourself with all safety warnings and instructions provided in this manual.
- The MINI MUZZLE BRAKE is not intended for use by individuals under the age of 18. Always supervise use around minors.
- Store the muzzle brake in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use. Do not use if any defects are found.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Alignment Rod Use:** Always use an alignment rod to ensure proper setup.
- **Surface Preparation:** Ensure all surfaces are clean before installation. Dirt or debris can affect performance.
- **Torque Specifications:**
  - Torque the muzzle device to approximately 1525 ft lbs.
  - When installing the suppressor, torque it to 10 ft lbs.
- **Warranty Warning:** Using the muzzle brake on a Q can void your warranty.
- **Square Alignment:** Make sure the muzzle device is square against the shoulder to prevent misalignment.
- **Thread and Taper Cleanliness:** Ensure that threads and tapers are clean before attaching the silencer.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including an alignment rod and torque wrench.
- Ensure your workspace is clean and free from distractions.

### 2. Installation:

- Clean the barrel and muzzle device surfaces thoroughly.
- Align the muzzle brake using the alignment rod.
- Securely attach the muzzle brake to the barrel, ensuring it is square against the shoulder.
- Torque the muzzle device to 1525 ft lbs, as per specifications.
- If using a suppressor, ensure it is clean and torque it to 10 ft lbs.
- Doublecheck alignment to ensure proper setup.

### 3. Usage:

- Always wear appropriate safety gear, including eye protection, when using firearms equipped with the muzzle brake.
- Follow all firearm safety protocols during use.

## **Disposal Instructions**

- Dispose of the MINI MUZZLE BRAKE in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the MINI MUZZLE BRAKE, please contact the manufacturer's customer support. Ensure you have the product details ready for quicker assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MINI MUZZLE BRAKE. Thank you for your attention to safety and for choosing Rearden Manufacturing Group LLC.
