

R2C FLASH HIDER - REARDEN MANUFACTURING GROUP LLC R2C FLASH HIDER 5/8-24 THREADS SQUARE SHOULDER BLACK NITRIDE

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

R2C FLASH HIDERS These fit Plan B type mounts. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Use on a Q can voids your warranty, be warned. Torque the muzzle device to approximately 30 ft lbs. Make sure the muzzle device is square against the shoulder. When setting the silencer on the muzzle device, ensure that the threads and tapers are clean. Torque the suppressor to 10 ft lbs. Ensure alignment. Enjoy. The nitride finish does lead to a tighter seal, with that said, it is extremely important to torque and rockset your muzzle device to the barrel properly. FEATURES: 17-4 PH Atlas and Atlas XL compatible Plan B compatible Black Nitride finish (67 HRC Surface hardness) Shims included

R2C Flash Hider Safety Instruction Guide

Introduction

Thank you for choosing the R2C Flash Hider from Rearden Manufacturing Group LLC. This guide provides essential safety instructions and information for the proper installation and use of your flash hider. Please read this guide thoroughly to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all components are compatible with your firearm before installation.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the flash hider and all related components out of reach of children and unauthorized users.
- Regularly inspect your flash hider for wear and damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use an alignment rod when installing the flash hider to ensure proper setup.
- Clean all surfaces thoroughly before installation to avoid any debris that may affect performance.
- Ensure that the muzzle device is properly torqued to approximately 30 ftlbs and secured with Rockset.
- Do not use the flash hider on a Q can, as this may void your warranty.
- When attaching the suppressor, torque it to 10 ftlbs and ensure proper alignment.
- The nitride finish provides a tighter seal; therefore, proper installation is critical to avoid accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and alignment rod.
- Ensure that your firearm is unloaded and in a safe condition before beginning installation.

2. Installation Steps:

- Clean the muzzle device and the threads of the barrel to remove any dirt or debris.
- Align the flash hider with the barrel using the alignment rod.
- Torque the flash hider to approximately 30 ftlbs to secure it to the barrel.
- Apply Rockset to the threads for additional security.
- Ensure that the muzzle device is square against the shoulder of the barrel.

3. Attaching the Suppressor:

- Clean the threads and tapers of the suppressor before attachment.
- Align the suppressor with the flash hider and torque to 10 ftlbs.
- Check for proper alignment and ensure that all components are securely attached.

4. PostInstallation Check:

- Inspect the installation to ensure that there are no gaps or misalignments.
- Test the firearm in a safe environment to verify proper function before regular use.

Disposal Instructions

- Dispose of the flash hider and any associated materials in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or nonfunctional.
- Contact local waste management authorities for guidance on hazardous waste disposal if applicable.

Contact Information for Further Support

For any questions or concerns regarding the R2C Flash Hider, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure you have the latest information regarding safety recalls or product updates.

Conclusion

Following these safety instructions will help ensure the proper use of the R2C Flash Hider and enhance your shooting experience. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
