ICARUS BLAST DIFFUSER BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

ICARUS BLAST DIFFUSER The Icarus is a blast diffuser designed to work with all Rearden muzzle devices. This blast diffuser will assist in sending blast and concussion down range, as well as serve as a thread protector for your muzzle devices when shooting unsuppressed. This is not a flash hider, and has no flash hiding capabilities. FEATURES: 17-4 PH Compatible with all Rearden muzzle devices, as well as any other Plan B style muzzle device. Nitride OR PVD coating No Atlas needed Weight and Length: Weight: 4.5 oz Length: 3.3" For use with projectiles .355 (9mm) and less in diameter INSTALLATION These blast diffusers fit over plan B style muzzle devices. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Torque the muzzle device to approximately 30 ft lbs. Make sure the muzzle device is square against the shoulder. When setting the blast diffuser on the muzzle device, ensure that the threads and tapers are clean. Do not exceed 10 ft lbs of torque on the Icarus. Ensure alignment. Enjoy. *End cap is removeable, but will come Rockset out of the box.

Icarus Blast Diffuser Safety Instructions

Introduction

Thank you for choosing the Icarus Blast Diffuser by Rearden Manufacturing Group LLC. This product is designed to enhance your shooting experience by effectively managing blast and concussion. Please read this safety instruction guide carefully to ensure safe and proper use of the Icarus Blast Diffuser.

General Safety Guidelines

- Ensure safe use of the Icarus Blast Diffuser and all associated muzzle devices.
- Be aware of potential hazards, including but not limited to:
 - Improper installation leading to malfunction.
 - Excessive torque applied to the device.
 - Use with incompatible projectiles.
- Always follow local laws and regulations regarding the use of muzzle devices.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This product is not a flash hider and does not provide flash hiding capabilities.
- Use only with projectiles of .355 inches (9mm) or less in diameter.
- Do not exceed 10 ft lbs of torque when installing the Icarus Blast Diffuser.
- Ensure that the muzzle device is properly torqued to approximately 30 ft lbs.
- Always use an alignment rod during installation to ensure correct setup.
- Before installation, clean all surfaces of the muzzle device and the blast diffuser to prevent damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle device and the Icarus Blast Diffuser threads and tapers.

2. Installation:

- Fit the Icarus Blast Diffuser over the Plan B style muzzle device.
- Use an alignment rod to ensure proper alignment.
- Torque the muzzle device to approximately 30 ft lbs.
- Ensure the muzzle device is square against the shoulder.
- Carefully tighten the Icarus Blast Diffuser, ensuring not to exceed 10 ft lbs of torque.

3. Usage:

- Always check the alignment of the blast diffuser before firing.
- Do not use the product if it appears damaged or improperly installed.
- After use, inspect the device for any signs of wear or damage.

Disposal Instructions

- Dispose of the Icarus Blast Diffuser in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer needed, contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided by your retailer or visit the official Rearden Manufacturing Group LLC website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Icarus Blast Diffuser responsibly.
