[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

MAGWELL FOR SMITH & WESSON M&P 2.0 FULL SIZE This Magwell is exclusively designed for the Smith & Wesson Full Size M&P 2.0, ensuring a perfect fit for both the 9mm and .40 caliber versions. This isn't a one-size-fits-all solution; it's a tailored accessory for your specific firearm model, ensuring you don't compromise on performance or aesthetics. Every Magwell produced at Tyrant CNC is CNC machined from 6061 aluminum, ensuring a precision fit and unmatched durability. They select this material for its appearance and durability, which makes the Magwell lightweight and strong for extended tough use. The Magwell has a hardcoat anodized finish. This finish makes it resistant to scratches and durable over time. It also helps to keep its look and quality even with frequent use. SPECIFICATIONS: Platform: Smith and Wesson Designed For Models: M&P 9/.40 Fitment Notes: Fits on M&P Full Size 2.0 ONLY. Metal Frame Version is NOT compatible. Compatible with OEM Magazines and aftermarket magazine extensions.

Safety Instruction Guide for MAGWELL FOR SMITH & WESSON M&P 2.0 FULL SIZE

Introduction

Thank you for choosing the MAGWELL FOR SMITH & WESSON M&P 2.0 FULL SIZE by TYRANT CNC. This product is designed to enhance the performance and aesthetics of your firearm. Please read this safety instruction guide carefully to ensure safe and proper use of the magwell.

General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the magwell and firearm out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of wear or damage.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the magwell with Smith & Wesson M&P 2.0 Full Size models in 9mm or .40 caliber.
- Do not attempt to install the magwell on the Metal Frame Version of the M&P 2.0.
- Ensure that the firearm is unloaded during installation and maintenance.
- Avoid using excessive force during installation to prevent damage to the magwell or firearm.
- Be aware of the added weight and dimensions of the magwell when handling the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Align the magwell with the grip of the firearm.
- Securely attach the magwell using the provided screws, ensuring a snug fit.
- Doublecheck that the magwell is properly installed before use.

2. Usage:

- Regularly check that the magwell is securely attached before using the firearm.
- Clean the magwell periodically to maintain its appearance and functionality.
- Avoid using cleaning solvents that may damage the anodized finish.

Disposal Instructions

- Dispose of the magwell responsibly in accordance with local regulations.
- Do not dispose of the magwell in regular household waste if it is damaged or nonfunctional.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MAGWELL FOR SMITH & WESSON M&P 2.0 FULL SIZE, please refer to the product packaging or your point of purchase for contact information.

By following these guidelines and instructions, you can ensure the safe use of your new magwell and enjoy its

benefits while maintaining compliance with safety regulations. Thank you for your attention to these important safety measures.
