

# MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON - TYRANT CNC MAGAZINE EXTENSION +5 FOR SPRINGFIELD ARMORY ECHELON - BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON The Tyrant CNC Magazine Extension, or also known as base pads, are expertly designed to increase the ammunition capacity of Springfield Armory Echelon's 15 and 17-round magazines by an additional 5 rounds of 9mm. This enhancement is crucial for users seeking increased capacity without compromising the firearm's reliability and performance.

**Precision Engineering and Materials:** Each Springfield Armory Echelon magazine extension is CNC machined from T6061 aerospace-grade aluminum, a material chosen for its optimal balance of strength and lightweight properties. This level of precision in machining ensures a perfect fit and function with the Springfield Echelon models.

**Durable and Aesthetic Finish:** The finishing process involves bead blasting followed by a hardcoat anodize, providing not only a durable surface resistant to wear and tear but also an aesthetic appeal. This finish is consistent with the high-quality standards set by Tyrant CNC and complements the overall look of the firearm.

**Innovative Installation Technology:** A standout feature of the Echelon magazine extension is its tool-less installation and removal capability, a significant advancement over other market options that often require tools and are prone to disassembly upon impact. This design aspect emphasizes ease of use and maintenance, appealing to a wide range of users.

**'NoBak' Plunger Technology for Enhanced Security:** The proprietary 'NoBak' plunger technology is a critical component, ensuring the Springfield Echelon base pad/magazine extension remains securely attached, even when subjected to drops from heights exceeding 10 feet with a fully loaded magazine. This feature provides users with confidence in the product's reliability under various conditions.

**Optimized Spring Design for Reliable Performance:** Accompanied by a 10% power spring (110% stronger than OEM with an additional coil), this Springfield Echelon magazine extension is engineered to guarantee the consistent delivery of the final round and maintain slide hold-back after the last round is fired. This attention to detail in spring design enhances the overall functionality of the firearm.

**Purposeful Aesthetics for Practical Use:** Tyrant CNC base pads are not only designed for increased capacity and reliability but also for practical handling. The solid top and bottom ledges facilitate quick and efficient magazine changes, beneficial in fast-paced situations or when handling is compromised. This feature also aids in the removal of stuck magazines, showcasing the product's user-centric design.

**Cohesive Design with the Tyrant CNC Product Line:** In line with the Tyrant CNC's commitment to quality and aesthetics, the magazine extension's design harmonizes with the rest of the Tyrant CNC line for the Springfield Armory Echelon. This consistency ensures that users can give their firearms a cohesive and customized appearance without sacrificing functionality.

**SPECIFICATIONS:** Platform: Springfield Armory Designed For Models: Echelon  
**Fitment Notes:** Fits on 15 round Echelon Magazine. Fits on 17 round Echelon Magazine. The 20 round Echelon Magazine is just a 17 round magazine with an OEM extender of 3 rounds. Does not fit the 10 round magazine.

**FEATURES:** no tools required installation 'NoBak' spring plunger technology for a secure attachment adds 5 rounds capacity in 9mm

## Attributes

- Name: [TYRANT CNC MAGAZINE EXTENSION +5 FOR SPRINGFIELD ARMORY ECHELON - BLACK](#)
- Manufacturer: [TYRANT CNC](#)
- Product no.: 430111423
- Mfr. No.: TD-ECHEMAGEX17-BLK
- Model: Echelon
- Style: Extension
- Weapon type: Springfield
- Delivery weight: 0.009kg
- Shipping height: 66mm
- Shipping width: 51mm
- Shipping length: 279mm
- UPC: 764046031199

# Safety Instruction Guide for MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON

## Introduction

Thank you for choosing the MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON. This product is designed to enhance your firearm's magazine capacity while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only with compatible Springfield Armory Echelon models.
- Always handle firearms with care and follow all safety protocols associated with firearm usage.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for wear and damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magazine extension.
- Do not exceed the recommended ammunition capacity of the magazine extension.
- Be aware of your surroundings when using firearms, and ensure a safe backdrop.
- Use appropriate eye and ear protection when firing.
- Do not use the magazine extension with ammunition types other than 9mm.
- Avoid dropping or subjecting the magazine extension to unnecessary impact, as this may compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing base pad from the magazine by following the manufacturer's instructions.
- Align the magazine extension with the magazine and press down firmly until it clicks into place.
- Verify that the extension is securely attached by gently pulling on it.

### 2. Usage:

- Load the magazine with 9mm ammunition, ensuring not to exceed the additional 5round capacity.
- Insert the magazine into the firearm until it locks into place.
- To remove the magazine, press the magazine release button and pull the magazine out of the firearm.

### 3. Maintenance:

- Regularly clean the magazine extension and magazine to prevent dirt and debris buildup.
- Inspect the 'NoBak' plunger technology for proper function during each use.
- Replace the magazine extension if any components are damaged or worn.

## Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations regarding aluminum recycling.
- Do not dispose of the product in regular household waste.

- Ensure that any old or damaged magazines are also disposed of safely to prevent accidental use.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please consult the manufacturer or a qualified gunsmith. It is important to have a reliable source for any questions about the product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible usage and adherence to these instructions.
