

# MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON - TYRANT CNC MAGAZINE EXTENSION +5 FOR SPRINGFIELD ARMORY ECHELON - GOLD

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

**MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON** The Tyrant CNC Magazine Extension, or also known as base pads, are expertly designed to increase the ammunition capacity of Springfield Armory Echelon's 15 and 17-round magazines by an additional 5 rounds of 9mm. This enhancement is crucial for users seeking increased capacity without compromising the firearm's reliability and performance. **Precision Engineering and Materials:** Each Springfield Armory Echelon magazine extension is CNC machined from T6061 aerospace-grade aluminum, a material chosen for its optimal balance of strength and lightweight properties. This level of precision in machining ensures a perfect fit and function with the Springfield Echelon models. **Durable and Aesthetic Finish:** The finishing process involves bead blasting followed by a hardcoat anodize, providing not only a durable surface resistant to wear and tear but also an aesthetic appeal. This finish is consistent with the high-quality standards set by Tyrant CNC and complements the overall look of the firearm. **Innovative Installation Technology:** A standout feature of the Echelon magazine extension is its tool-less installation and removal capability, a significant advancement over other market options that often require tools and are prone to disassembly upon impact. This design aspect emphasizes ease of use and maintenance, appealing to a wide range of users. **'NoBak' Plunger Technology for Enhanced Security:** The proprietary 'NoBak' plunger technology is a critical component, ensuring the Springfield Echelon base pad/magazine extension remains securely attached, even when subjected to drops from heights exceeding 10 feet with a fully loaded magazine. This feature provides users with confidence in the product's reliability under various conditions. **Optimized Spring Design for Reliable Performance:** Accompanied by a 10% power spring (110% stronger than OEM with an additional coil), this Springfield Echelon magazine extension is engineered to guarantee the consistent delivery of the final round and maintain slide hold-back after the last round is fired. This attention to detail in spring design enhances the overall functionality of the firearm. **Purposeful Aesthetics for Practical Use:** Tyrant CNC base pads are not only designed for increased capacity and reliability but also for practical handling. The solid top and bottom ledges facilitate quick and efficient magazine changes, beneficial in fast-paced situations or when handling is compromised. This feature also aids in the removal of stuck magazines, showcasing the product's user-centric design. **Cohesive Design with the Tyrant CNC Product Line:** In line with the Tyrant CNC's commitment to quality and aesthetics, the magazine extension's design harmonizes with the rest of the Tyrant CNC line for the Springfield Armory Echelon. This consistency ensures that users can give their firearms a cohesive and customized appearance without sacrificing functionality.

**SPECIFICATIONS:** Platform: Springfield Armory Designed For Models: Echelon Fitment Notes: Fits on 15 round Echelon Magazine. Fits on 17 round Echelon Magazine. The 20 round Echelon Magazine is just a 17 round magazine with an OEM extender of 3 rounds. # Consumer Safety Instruction Guide for MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON

## Introduction

Thank you for choosing the Tyrant CNC Magazine Extension for your Springfield Armory Echelon. This product is designed to enhance the capacity of your magazines while ensuring safety and reliability. Please read this guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Ensure the magazine is empty before installation or removal.
- Store the magazine extension in a safe place, away from children and unauthorized users.
- Regularly inspect the magazine extension for any signs of wear or damage.
- Follow all manufacturer instructions for installation and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the magazine extension is compatible with your specific Springfield Armory Echelon model.
- Do not exceed the recommended ammunition capacity as indicated by the manufacturer.
- Avoid using the magazine extension with damaged or worn magazines.
- Do not use the magazine extension in any manner that is not intended by the manufacturer.
- Be cautious of the magazine extension's weight and balance when fully loaded, as this can affect handling.
- Always perform a function check after installation to ensure proper operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing base pad from the magazine by pressing the release button or sliding it off, following manufacturer instructions.
- Align the Tyrant CNC magazine extension with the magazine.
- Press the extension onto the magazine until it clicks into place securely. Ensure that it is firmly attached.
- Perform a function check by inserting the loaded magazine into the firearm and ensuring it fits securely.

### 2. Usage:

- Load the magazine with the appropriate ammunition, ensuring not to exceed the 5 additional rounds.
- When inserting the magazine into the firearm, ensure it is seated properly.
- After use, remove the magazine and inspect the extension for any signs of wear or damage before storing.

## Disposal Instructions

- Dispose of the magazine extension in accordance with local waste disposal regulations.
- Do not dispose of the magazine extension in regular household waste if it is damaged or no longer usable.
- Consider recycling the aluminum material where possible, following local recycling guidelines.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Tyrant CNC Magazine Extension, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for prioritizing safety while using the Tyrant CNC Magazine Extension. Your responsible handling ensures a safer experience for all users.
