EXTENDED SLIDE RELEASE FOR SPRINGFIELD ARMORY HELLCAT Unlock the full potential of your Hellcat series firearm with Tyrant CNC's Springfield Hellcat Extended Slide Release. Engineered for precision, durability, and ease of use, this Springfield Armory slide release is a must-have upgrade for every Springfield Hellcat series owner. No more struggling with a super stiff AND small slide release button. Enjoy the increased surface area of the Tyrant CNC Extended Slide Release all while maintaining holster compatibility with all the popular brands! Whether you're a competitive shooter, law enforcement officer, or a firearms enthusiast, this Extended Slide Release for the Springfield Hellcat series offers unmatched functionality and aesthetic appeal, aligning perfectly with your Springfield Hellcat parts and accessories collection. Premium Quality Material Crafted from high-grade stainless steel through the advanced process of metal injection molding, our extended slide release stands out in both strength and reliability. The stainless steel construction ensures a robust and lasting build, capable of withstanding the most challenging conditions. Each slide release is bead blasted, adding to its resilience and providing a sleek, matte finish that complements the firearm's design. Exceptional Durability with PVD Coating To further enhance its endurance and resistance to wear, the Tyrant CNC Extended Slide Release is treated with a premium PVD (Physical Vapor Deposition) coating. This state-of-the-art coating process not only gives the slide release an extra layer of protection against corrosion and abrasion but also offers an option to personalize your firearm with a choice of black or gold finishes. The heat-treated surface is meticulously crafted to endure hard use, ensuring that the slide release maintains its integrity and functionality over time. Laser Welded for Superior Strength The button surface area of the slide release is 1.5x more material than the OEM Release. The button is machined separately then laser welded, creating an incredibly strong bond that surpasses the firearm's life limit. This laser welding technique ensures that the Tyrant CNC Hellcat slide release will remain firmly intact, providing a consistent and reliable performance throughout the lifespan of your Springfield Hellcat or Hellcat Pro. Ergonomic Design for Enhanced Usability Understanding the importance of quick and efficient operation, the Tyrant CNC Extended Slide Release is ergonomically designed to provide a more substantial surface area for easy engagement. This extended design is particularly beneficial in high-stress situations, allowing for swift and effortless slide manipulation. There should be no interference with most popular holsters on the market today as the slide release's contour and size are optimized to prevent accidental engagement while ensuring accessibility when needed, making it an ideal choice for both tactical and everyday use. Seamless Integration with Hellcat Aesthetics In line with Tyrant CNC's commitment to excellence, this extended slide release is not just functional but also aesthetically pleasing. Its design harmonizes with the overall look of the Springfield Armory Hellcat series line, enhancing the firearm's appearance while maintaining its sleek profile. Whether you choose the classic black or the striking gold finish, the slide release adds a touch of sophistication to your firearm. Easy Installation and Compatibility Installation of the Tyrant CNC Extended Slide Release is straightforward, allowing for a quick and hassle-free upgrade. Compatible with both the Springfield Armory

Hellcat models, this slide release is a versatile addition to your firearm, improving its functionality without any permanent modifications. Ideal for Various Applications Whether you're engaged in competitive shooting, personal defense, or law enforcement activities, the Tyrant CNC Extended Slide Release for the Springfield Hellcat and Hellcat Pro is an indispensable accessory. Its robust build, enhanced usability, and sleek design make it a top choice for those seeking to upgrade their firearm with high-quality Springfield Hellcat parts and accessories. SPECIFICATIONS: Platform: Springfield Armory Designed For Models: Hellcat, Hellcat Pro Fitment Notes: Fits on most Hellcat series pistols (standard, Pro, RDP, OSP). Works with all popular holsters. Do not use with 10 round magazines-may cause damage to slide release. FEATURES: extended surface area for ease of use Heat treated stainless steel Laser welded button

# Safety Instruction Guide for Tyrant CNC Extended Slide Release for Springfield Armory Hellcat

## Introduction

Thank you for choosing the Tyrant CNC Extended Slide Release for your Springfield Armory Hellcat. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your specific model of the Springfield Armory Hellcat or Hellcat Pro.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the Extended Slide Release regularly for any signs of wear or damage.
- If you notice any issues, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents related to this product to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Do not use the Extended Slide Release with 10 round magazines, as this may cause damage to the slide release.
- Ensure that the firearm is unloaded before attempting to install or modify any components.
- Avoid using excessive force when engaging or disengaging the slide release to prevent injury or damage.
- Be cautious in highstress situations; practice using the slide release in a safe environment before relying on it in critical scenarios.
- Always wear appropriate safety gear when handling firearms, including eye protection and hearing protection.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and in a safe condition before beginning installation.
2. **Remove the Existing Slide Release:**
  - Use a suitable tool to remove the existing slide release from your Springfield Hellcat.
  - Follow the manufacturer's guidelines for disassembly to avoid damage.
3. **Install the Tyrant CNC Extended Slide Release:**
  - Align the Extended Slide Release with the designated slot on the firearm.
  - Gently press the slide release into place until it is securely fitted.
4. **Test Functionality:**
  - After installation, ensure that the slide release operates smoothly.
  - Check for any obstructions or misalignments that may affect functionality.

### Usage Instructions

- To engage the slide release, press the button with your thumb or index finger, ensuring a firm but controlled motion.
- Practice using the slide release in a safe environment to familiarize yourself with its operation.
- Regularly check the slide release for any signs of wear or damage, and replace if necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer in use, ensure it is rendered unusable before disposal to prevent accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tyrant CNC Extended Slide Release, please refer to the manufacturer's website or customer service for assistance. Always ensure that you are following the most current safety guidelines and regulations.

Thank you for prioritizing safety and for choosing the Tyrant CNC Extended Slide Release for your Springfield Armory Hellcat. Your commitment to responsible firearm ownership is appreciated.
